Bluewater Journal The Voyage Of The Sea Tiger:

Bluewater Journal Loretta Krupinski,1995 Twelve year old Benjamin Slocum keeps his own journal as he travels with his family from Boston to Honolulu in the clipper ship Sea Tiger *Geographic Literacy Through Children's Literature* Linda K. Rogers,1997-09-15 Combining practical student centered activities with an annotated bibliography of more than 160 children s books this guide models ways for classroom teachers to teach geography through children s literature Chapters based on the five themes of the Geographic Standards present a variety of activities that teach students important geographic concepts The extensive bibliography provides summaries of books suggested teaching activities and cross references to other books a list of teacher resources is also included Attractive line drawings accompany the conversational text Anyone looking for an effective way to teach geography at the elementary level will want this book and middle and high school educators will find useful extensions for older students The work offers a great way to integrate geography into the curriculum [Bridges to Reading, 3-6](#) Suzanne I. Barchers,1999-04-15 Now you can use quality children s literature to teach traditional reading skills Providing a balance between traditional and literature based instruction these books include stimulating and instructive lessons based on approximately 150 skills commonly found in basal readers These lessons utilize a variety of strategies that can be applied to teaching myriad skills from alphabet and alphabetization to word recognition skills Each featured book includes a variety of activities and a list of related books Semantic feature analysis attribute charts writing activities problem solving genre analysis wordplay and phonetic analysis are just some of the strategies covered Wonderful tools for enlivening reading instruction these resources reconcile the need to teach basic skills with the desire to use children s literature **Promoting a Global Community Through Multicultural Children's Literature** Stan Steiner,2001-03-15 You will find this book invaluable for teaching students the beauties of diversity and for building understanding of cultures from around the world This book features more than 800 titles both single volume and series selected for their multicultural content and compelling reflections of the social issues of diverse cultures The more than 100 interdisciplinary application strategies for titles range from reading aloud with follow up discussions to social activism Fully indexed by author and title this guide includes Web sites for literature integration contact information a discussion of the benefits of multicultural literature and suggestions for further reading The perfect guide for introducing students to other cultures and customs [Literature Connections to American History K6](#) Lynda G. Adamson,1997-09-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes this book helps you locate resources on American history for students Each book presents information in two sections In the first part titles are listed according to grade levels within eras and further organized according to product type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and

awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject
