Marketing Strategy from a Contingency Perspective David W. Cravens, 2011-05-15 *365 Cars You Must Drive* Matt Stone, John Matras, 2006. What began as a solution for transportation has evolved into a desire for speed, luxury, personal expression, and freedom. For many, the thrill of the drive has eclipsed the pure utility of the automobile. And the pursuit of that thrill is the driving force behind *365 Cars You Must Drive*. From the Ford Model T to the Porsche Carrera GT, there are certain cars that any self-respecting auto enthusiast just has to know and experience from the driver's seat. With homage to the greatest cars and good-natured mockery of the strangest authors, Matt Stone and John Matras detail which cars to drive and why, how to get behind the wheel, where to drive them, and who to invite along for the ride. Each entry contains a colorful spec box, noting the car's claim to fame, a Did You Know factoid, the author's clever suggestions for the Perfect Passenger, and the Soundtrack coming out of the speakers. Behind the Wheel notes and a Perfect Drive for the marque or model covered. Engine details, production information, the price when it debuted, and the collectible price now—all of it adds up to, at a glance, fun reading to go with informative essays on each car, archival and full-color photos, and more.
