Rice, 1944 **Bourgeois Babes, Bossy Wives, and Bobby Haircuts** Michael F. Bird, 2012-12-25 Taking a stand over the gender issue divide Author and New Testament scholar Michael Bird was formerly in favor of distinct gender roles in ministry a viewpoint commonly called complementarianism But inconsistencies in practice and careful biblical study convinced him to rethink his position Originally published as a short ebook *Bourgeois Babes Bossy Wives and Bobby Haircuts* offers an engaging incisive perspective on biblical gender equality and the egalitarian view a preference for allowing women to hold teaching and leadership positions in ministry While Bird is now egalitarian he nevertheless strikes a respectful tone toward those in his previous camp seeking to craft a perspective that both values women and upholds biblical differences between the sexes Humorous and hard hitting Bird will challenge readers on both sides of the gender issue divide [Black and White Bible, Black and Blue Wife](#) Ruth A. Tucker, 2016-03-01 Ruth Tucker recounts a harrowing story of abuse at the hands of her husband a well educated charming preacher no less in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced biblical approach to counter such abuse for pastors and counselors Weaving together her shocking story stories of other women and powerful stories of husbands who truly have demonstrated Christ's love to their wives with reflection on biblical theological historical and contemporary issues surrounding domestic violence she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship **Me and My Hair** Patricia Malcolmson, 2013-03-04 Good hair day Bad hair day Hair has always evoked strong emotions In this fascinating book Patricia Malcolmson examines how British women over the past 150 years have managed their hair from the extravagant styles of the late nineteenth century to the anything goes attitude of today taking in along the way the daring bobs of the 1920s the wartime styles of women in uniform the slavish copying of Hollywood stars the beehive the hippy and the Goth In *Me and My Hair* you'll hear the voices of women from around Britain talking about their hair whether it's their longing to have Shirley Temple curls the visits of the nit nurse their first home perm roasting under hood dryers going platinum blonde hilarious experiments with hair extensions or fears of going grey **Christabel Pankhurst** Timothy Larsen, 2002 In this work Tim Larsen provides the first full account of this part of Christabel Pankhurst's life He thus offers both a highly original contribution to Christabel Pankhurst's biography and also a commentary on the relationship between fundamentalism and feminism His book will be essential reading for anyone interested in the Pankhursts in the history of the women's movement in women in Christian ministry or in fundamentalism in Britain and North America Jacket [Mainstreaming Fundamentalism](#) Keith Bates, 2023-08-18 In *Mainstreaming*
