wheel not once promised Bunny I guess you d better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue s chums and when she heard Bunny s sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah s ark away I wouldn t let him if I were you It isn t Noah s ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah s ark but it s bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It s got to be fixed and I m to drive it to the shop over at East Milford That s why I came up Where s your mother I want to tell her I m taking away the ark so she won t think some tramps or some gypsies have run off with it I ll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown
