

BOBBY TULLOCH'S SHETLAND

AN ISLANDER, HIS ISLANDS AND THEIR WILDLIFE

Introduction by Lord Grimond

Bobby Tullochs Shetland

Bobby Tulloch

Bobby Tullochs Shetland:

Bobby Tulloch's Shetland Bobby Tulloch, 1988-01-01 *Bobby Tulloch's Shetland* Bobby Tulloch, 1993 **Bobby the Birdman** Jonathan Wills, Mike McDonnell, 2016-11-10 Bobby Tulloch known to his pals as Tucker was the son of a crofter in the island of Yell He d started his working life as a baker and became through his own extraordinary talents and a certain amount of good luck a renowned field ornithologist tour guide author and wildlife photographer He was also an accomplished musician and songwriter a skilled fisherman and a daring some would say reckless navigator of small boats among big rocks He toured the UK giving illustrated talks for the RSPB and frequently appeared on national TV and radio But perhaps his greatest skill was for friendship When he died in 1996 at the age of 67 he was mourned by hundreds of friends throughout his native islands and far beyond In this book some of those friends celebrate their many happy memories of his life After a biographical sketch by Jonathan Wills the stories from other contributors tumble out dramatic insightful and usually very funny The book is illustrated throughout with evocative pictures from those eventful days and Bobby s wonderful wildlife and landscape photographs **The Northern Isles** Tom Smith, Chris Jex, 2007 A sea kayakers guide to the Orkney and Shetland Islands Their relative isolation stunning scenery and Norse history make Orkney and Shetland a very special place For the sea kayaker island archipelagos are particularly rewarding none more so than these Illustrated with superb colour photographs and useful maps throughout this book is a practical guide to help you select and plan trips It will provide inspiration for future voyages and a souvenir of journeys undertaken As well as providing essential information on where to start and finish distances times and tidal information the book does much to stimulate interest in the environment It is full of facts and anecdotes about local history geology scenery seabirds and sea mammals **The Horizontal Oak** Polly Pullar, 2022-07-21 Peppered with humour empathy and kindness Sunday Post Ever since her pet sheep Lulu accompanied her to school at the age of seven animals and nature have been at the heart of Polly Pullar s world Growing up in a remote corner of the Scottish West Highlands she roamed freely through the spectacular countryside and met her first otters seals eagles and wildcats But an otherwise idyllic childhood was marred by family secrets which ultimately turned to tragedy Following the suicide of her alcoholic father and the deterioration of her relationship with her mother as well as the break up of her own marriage Polly rebuilt her life earning a reputation as a wildlife expert and rehabilitator journalist and photographer This is her extraordinary inspirational story Written with compassion humour and optimism Polly reflects on how her love of the natural world has helped her find the strength to forgive and understand her parents and to find an equilibrium **Heathland** Clive Chatters, 2021-03-04 In Clive we have an ever fascinating guide to Britain s heathery districts not only marvelling at the wildlife of such wild places but also celebrating their diverse origins uses and cultural resonances Andrew Byfield Heathlands are so much more than simply purple carpets of heather They are ancient landscapes found throughout Britain that support a complex of inter related species and an immense diversity of habitats They also possess a unique

human history defined by the struggle between pastoralism and the competing demands of those who seek exclusive use of the land In this latest addition to the British Wildlife Collection Clive Chatters introduces us to Britain s heathlands and their anatomy He then takes the reader on a geographical heathland tour from the maritime sub arctic of the Shetlands to the mild wetness of the Atlantic coast with an in memoriam nod to those heaths that have been erased from common memory and understanding He concludes with a review of how people have perceived and used heathland wildlife over the ages and sets out a future vision for this iconic landscape its unique habitats and the species that live there Most of our heaths are pale shadows of their former selves However Chatters argues it is not inevitable that the catastrophic losses of the recent past are the destiny of our remaining heaths Should we wish their place in the countryside as an integral part of British culture can be secured

A Naturalist's Shetland J. Laughton Johnston,1999 One of Britain s natural treasures the Shetland Islands are spectacular with their varied geology wonderful landscape and special flora and fauna This book describes all the wildlife of Shetland and is illustrated with photographs and sketches
