Bodley Head:

The Bodley Head Henry James Henry James, Leon Edel, 1974 **Postmodern Fiction and the Break-Up of Britain**
Hywel Dix, 2011-11-03 This study explores how British identity has been explored and renegotiated by contemporary writers. It starts by examining the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis informs different literary texts. Having first analysed a series of novels that draw an implicit parallel between the end of the British Empire and the break up of the unitary British state, the study explores how contemporary writing in Northern Ireland, Scotland and Wales contributes to a sense of nationhood in those places and so contributes to the break up of Britain symbolically. Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland, Scotland and Wales. It is also an imaginary process that can be found occurring on a number of other conceptual coordinates. Feminism, class, regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain.

Bernard Shaw and Modern Advertising Christopher Wixson, 2018-06-13 This book charts how promotional campaigns in which Bernard Shaw participated were key crucibles within which agency and personality could renegotiate their relationship to one another and to the consuming public. Concurrent with the rise of modern advertising, the creation of Shaw's G. B. S. public persona was achieved through masterful imitation of patent medicine marketing strategies and a shrewd understanding of the relationship between product and spokesman. Helping to enhance the visibility of his literary writing and dovetailing with his Fabian political activities, G. B. S. also became a key figure in the evolution of testimonial endorsement and the professionalizing of modern advertising. The study analyzes multiple ad series in which Shaw was prominently featured that were occasions for self-promotion for both Shaw and the agencies and presage the iconoclastic style of contemporary public personality and techniques of celebrity marketing. **Bodley Head Board Books** Bodley Head

(Firm), 1973 **Dangerous Edges of Graham Greene** Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging and sheds new light on the life and literary art of one of the last century's most celebrated authors. *The Bodley Head, 1887-1987* Jack Walter Lambert, Michael Ratcliffe, 1987 Geschiedenis van de Britse uitgeverij *Conversations with Graham Greene* Graham Greene, 1992 This collection of seventeen interviews covers fifty years. Here the eminent author of *The Power and the Glory*, *The Third Man* and *The Heart of the Matter* speaks of himself, his life and his works. Though reluctant to be interviewed, especially by an academic or journalist, he did not know Greene was more at ease in an interview with a personal friend who he felt would be less likely to misunderstand or misquote him. Yet even his good friend V. S. Pritchett spent considerable time trying to pin him down for his 1978 interview. When he finally did arrange an interview, Pritchett tells that Greene's flat conspiratorial laughing voice of itself makes him the best company I've known in the last forty years. Other interviewers included here are V. S. Naipaul and Penelope Gilliatt, who shared Pritchett's opinion but many found

that he avoided idle conversation for fear that his words would be misconstrued Greene's anxiety was not without foundation In an interview with Michael Menshaw Greene explained It's got so I hate to say who I am or what I believe A few years ago I told an interviewer I'm a gnostic The next day's newspaper announced that I had become an agnostic After such incidents Greene turned to the anecdote relating an experience with Fidel Castro or with Papa Doc Duvalier to communicate in interviews with strangers Nevertheless in all the interviews Greene granted over the years the reader hears very clearly the voice of a man whose conversation is as painfully honest and unpretentious as is his written prose The interviews here are divided chronologically into four periods loosely related to his subject matter or to his reputation at the time of the interview Thus the reader sees the development of the writer from a callow but gifted young man into one of the foremost men of letters in the English speaking world
