Difficult Gospel Mike Higton,2005-01-01 Rowan Williams is widely recognized as a creative and powerful theologian but his theological writings are frequently complex and difficult This book provides a clear and simple guide to all the main themes of his theology and shows how they are related to his reading of the Bible his careful and wide ranging engagement with the Christian tradition and his grappling with contemporary culture It shows how the Archbishop s ideas about peace or about popular culture about sexuality or about evangelism relate to his understanding of the nature of the life of God and the challenging good news of Jesus Christ This book is designed especially for those who have no formal training in theology or academic expertise but are interested in finding out more about what Rowan Williams stands for

The Ministry of the Word, Vol. 26, No. 03 Various Authors,2023-03-03 This issue of *The Ministry of the Word* contains the first eight of the sixteen messages given during the fall 2021 term of the full time training in Anaheim California The general subject of this series of messages is Chapters Five through Eight of Romans the Kernel of the Bible These first eight messages and the subsequent eight messages published in an upcoming issue will focus on Romans 5 and 6 This general subject will then be continued in the messages of the spring 2022 term and will focus on Romans 7 and 8 The life and death form two contrasting lines in chapters 5 through 8 showing that man is at the center of a

triangular situation between God and Satan that is between life and death The tree of life and the tree of knowledge the tree of death issue in two lines the line of life and the line of death that run through the entire Bible and consummate in the book of Revelation The line of life begins with the tree of life in Genesis 2 and issues in the New Jerusalem in Revelation 22 as the city of the water of life with the tree of life the light of life and the glory of life Similarly the line of death begins with the tree of the knowledge of good and evil in Genesis 2 and ends with the lake of fire in Revelation 20 The kernel of the Bible is that Christ has been revealed into us as life and that we live have our being and exist by Christ as the divine life God put us into Christ with the desire that we would be transformed and conformed to the image of His Son so that we might be thoroughly one with Christ In this way we are built up together as the living Body of Christ to contain and express Christ for the Father s glory and for our glorification in Christ Romans 5 reveals that the result of our justification is the full enjoyment of God in Christ as our life
