Original Feng Shui for Health and Wealth A. R. Hari, 2002-03. Strokes of Destiny Louise Loan, *Strokes of Destiny* Subtitle: Beauty That Writes Destiny. *Strokes of Destiny* opens as the first doorway, inviting readers into a world where the face, aura, presence, feng shui, and physiognomy intertwine to form the map of a woman's destiny. The book offers a gentle yet profound insight: beauty is never just on the surface; it is the inner energy written onto the face like the subtle brushstrokes of the universe. When a woman understands the source of her life force, how her emotions, temperament, and inner world shape her appearance, she begins to hold the key to shaping the path of her own life. This book guides readers to explore why the face is a refined map reflecting one's true nature, how inner energy creates aura, presence, and attraction, and why beauty in its deepest sense can open paths, shift fate, and write destiny. *Strokes of Destiny* serves as the foundation, the first cornerstone of the series, preparing readers to journey deeper into various schools of physiognomy, feng shui, and the art of crafting destiny in the books that follow. A book for every woman who seeks to understand herself more clearly, live with greater intention, and step into life with awakened beauty, the kind of beauty that writes her own destiny. **The Feng Shui Connection To A Healthy Life** Mary Jane Kasliner, 2007-08-21.
