Discovering Body Language Alan

Elangovan,2024-05-01 Discovering Body Language DBL For Your EYES Only is a classic it gives a timeless message about the use of body language in different circumstances The book surmises both the positive and negative messages that people portray through the course of conversation The aim of this book is to sharpen your eyes to see the hidden A lot of people do not know the signs of deception even if they are glaring and that is why such individuals fall prey of unwanted circumstances If you make this book your companion then it becomes your inner sight to have a thorough understanding of people s thoughts and intents towards you This book only discusses an aspect of the areas covered in The Encyclopedia of Body Language a best seller by the author In the latter the author holistically x rayed all aspects of body language and readers can

convert body language knowledge to profit It is a book that sets captives of communication free The greatest giveaway of this book is that you will know how to read body language effectively The author does not offer limited knowledge here Rather he gives every reader the master key to make informed decisions by listening to the body language of their co interlocutors

Body Language Mark H. Ford,2010-10-27 Body language and Behavioral Profiling is a timely book on the vital roles of nonverbal communications and people reading in our everyday lives We all use body language to communicate our innermost feelings thoughts and attitudes along with spoken words Knowing the hints clues signals and signs that people use in business and social settings helps people to interpret behavioral motives and enables them to rapidly organize information for quick decisions that may be consequential In addition facial expressions posture dress attire and gestures that people use all infer future behavior patterns In this book body language signals and signs are broken down into understandable topics backed by authoritative sources Practical pointers help readers to adopt better image and self presentation skills The social science tools that are covered will help readers to get the motives and behavior of others while improving their own intercommunications which helps people make more informed decisions meet personal goals and more fully protect themselves

Leadership the Barack Obama Way: Lessons on Teambuilding and Creating a Winning Culture in Challenging Times Shelly Leanne,Shel Leanne,2010-01-01 Use the President s history making leadership skills in any business setting In his historic rise to the most powerful position in the world Barack Obama single handedly altered the concept of leadership around the world Now Shel Leanne the expert on the Obama way of leadership explains how to thrive in any business setting by adopting the same skill set Leadership the Barack Obama Way examines the ins and outs of the leadership style the President of the United States rode to heights of power nobody dreamed possible just a short time ago Leanne breaks down Obama s style into easily digestible pieces that you can apply in any situation You ll learn all the skills of extraordinary leadership including how to Communicate your vision in clear persuasive language Create a reservoir of goodwill Form and lead outstanding teams Harness and leverage the power of technology Establish trust and confidence Build bridges among diverse people Obama s adversaries passed him off as nothing more than a good speech maker they couldn t have been more wrong The President is indeed an engaging speaker but he is much more His style of leadership is carefully planned and meticulously honed Follow the Obama blueprint and lead your organization to the head of your industry

Body Language and the First Line Manager Eunice Lawton,2006-01-31 Body language can account for 70 per cent of the message we give out This book provides an insight into the impact that body language can have at work It is aimed at first line management level and provides a look at body language and how we need to ensure that we are giving out the right non verbal messages in different management situations
