## Body Lovers:

**Plato and the Body** Coleen P. Zoller, 2018-07-11 For centuries it has been the prevailing view that in prioritizing the soul Plato ignores or even abhors the body however in *Plato and the Body* Coleen P Zoller argues that Plato does value the body and the role it plays in philosophical life focusing on Plato's use of Socrates as an exemplar Zoller reveals a more refined conception of the ascetic lifestyle epitomized by Socrates in Plato's *Phaedo* *Symposium* *Phaedrus* *Gorgias* and *Republic* Her interpretation illuminates why those who want to be wise and good have reason to be curious about and love the natural world and the bodies in it and has implications for how we understand Plato's metaphysical and political commitments This book shows the relevance of this broader understanding of Plato for work on a variety of relevant contemporary issues including sexual morality poverty wealth inequality and peace *Attitudes of Play* Gabor

Csepregi, 2022-12-15 Play is not only a kind of activity but also a set of attitudes We may join a card game in a casino without assuming a play attitude conversely we may transform a seemingly tedious action such as a walk to the store into a pleasant experience of spontaneous movements by adopting an attitude of play *Attitudes of Play* is a comprehensive study of the persistent human tendency to bring a cheerful and good humoured outlook to any kind of situation including the serious and the mundane Gabor Csepregi offers a phenomenological description of forms of playfulness showing how time and again our attitudes of play redefine and shape diverse activities and experiences from teaching healing or worshipping to political conflict or walking down the street With play attitudes we exercise our freedom to colour these scenes or give them an altogether new form evoking in us more refined sentiments and more acute perceptions This book seeks to distinguish play activities from attitudes of play showing that the latter hold value not merely for their educational or other instrumental benefits but also and perhaps most importantly for the overall fulfillment and well being they offer in all stages of human existence
