## Boer War Generals:

**Generals of the Anglo-Boer War** Philip Bateman, 1977 *With Seven Generals in the Boer War* Arthur Welham Alsager Pollock, 1900 **The Boer War Generals** Peter Trew, 1999 The Boer War 1899-1902 witnessed the professionals of the British Army pitted against the gifted amateurs who led the Boer commandos. For the Boers it was a struggle for independence for Britain an attempt once and for all to assert her political supremacy in South Africa. While sheer weight of numbers and ruthless tactics eventually secured a British military victory the extraordinary Boer effort won respect worldwide. *Two Generals* Roy Digby Thomas, 2012 The Boer Wars that occurred at the end of the nineteenth century involved nearly 450 000 British troops and over 60 000 Boers. They were the largest wars Britain had ever waged before the two World Wars. They have been extensively covered by writers in Britain and South Africa. Almost all of the writers addressed the conflict from the viewpoint of either the Boers or the British. *Two Generals* tells how the commanders of the two armies confronted each other on the battlefield. It seeks to describe the action from both viewpoints. In this way it is unique. Recent developments in South Africa have put the events at the turn of the last century in a new perspective. The imperial attitude of the British rulers in South Africa and the stubbornness and conservative attitudes of the Boers can be seen to have contributed to the problems that persisted there throughout the twentieth century. The author has taken a fresh approach to the conflict presenting it in an even handed way and setting the outcome in the context of developments during the last hundred years in South Africa. *With Seven Generals in the Boer War: A Personal Narrative* Arthur William Alsager Pollock, 2024-11-07 *With Seven Generals in the Boer War: A Personal Narrative* by Arthur William Alsager Pollock is an engaging firsthand account of the Second Boer War 1899-1902 offering readers a unique perspective from someone who experienced the conflict up close. As a military observer accompanying multiple British generals Pollock provides not only a detailed chronicle of key campaigns but also personal insights into the personalities strategies and challenges that shaped the course of the war. Pollock's narrative captures the complexity of Britain's struggle against the Boer forces in South Africa describing the harsh landscapes grueling battles and shifting tactics employed by both sides. He served under seven prominent generals including Lord Roberts and Lord Kitchener and his observations illuminate the different leadership styles strategies and operational decisions that defined the conflict. From sieges and skirmishes to the difficulties of maintaining morale and logistics Pollock's detailed writing paints a vivid picture of the day to day realities of war. What makes this book particularly compelling is Pollock's personal reflections on the human side of the conflict offering stories of camaraderie hardship and perseverance among soldiers. His narrative also touches on the political complexities surrounding the war and the impact of military campaigns on both British troops and the Boer population. *With Seven Generals in the Boer War* is not only a war memoir but also an insightful commentary on leadership strategy and the nature of colonial warfare. Pollock's balanced perspective and engaging prose make this an essential read for those interested in military history the Boer War or

firsthand accounts of 19th century conflict Through his narrative Pollock offers readers a rare glimpse into a pivotal war that shaped the political and cultural landscape of South Africa and the British Empire *With Seven Generals in the Boer War* Arthur William Alsager Pollock,1900 *With Seven Generals in the Boer War* Major A. W. A. Pollock,2015-07-09 Excerpt from *With Seven Generals in the Boer War A Personal Narrative* This narrative of my personal experiences during the Boer War covers the period between October 14th 1899 and July 20th 1900 It commences with my departure from England in the Dunottar Castle with Sir Redvers Buller and the Headquarters Staff and includes with my return home in the same ship and in the same cabin after nine months absence It was my good fortune to accompany many different forces during the campaign and I have endeavoured to describe what I saw of the various operations together with the impressions conveyed to my mind by these and other events The Editor of the Times has kindly allowed me to utilize my published and unpublished letters and some of these have been incorporated with a greater quantity of fresh matter in the composition of the present volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *With Seven Generals in the Boer War; a Personal Narrative* Arthur Welham Alsager Pollock,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1900 edition Excerpt WITH SEVEN GENERALS IN THE BOER WAR CHAPTER I SOUTHAMPTON TO CAPE TOWN It was a quarter past one in the afternoon of Friday October 13 1899 when it was decided that I should embark for South Africa upon the following day as special correspondent of the Times with Sir Eedvers Buller s Headquarters The bustle and worry of the next few hours defy description and at all events the chief point is that I succeeded in collecting a reasonably complete kit and in catching the steamer The departure from Southampton was an experience that is unlikely to fade from the memory of any who witnessed it The ovation that hailed Sir Eedvers as he went on board was tremendous but the really dramatic incident was to follow when the Dunottar Castle left her moorings and set off on her voyage The cheering ceased as if by magic and the vast multitude of people on the wharfs far and near broke into the strains of God save the Queen A British crowd may lack the musical refinement of some others but when the Briton uncovers his head and sings the National Anthem he means what he sings and his sincerity is so obvious that no room for doubt upon the subject can linger in the minds of any that hear him It was just 5 p m when the ship sailed The sea was calm and when the dinner bugle sounded there were very few who failed to answer the summons But during the night the wind began to blow and by the time we were off Ushant the steamer had

become sufficiently unsteady to compel many to prefer their cabins to the full publicity of the saloon or deck A good many who ventured to appear at breakfast beat a hasty retreat and under the circumstances it was considered useless to attempt the Church Service Towards evening the weather *Louis Botha* Richard Steyn,2018-09-17 In *A Man Apart* Richard Steyn once again brings to life a South African icon Louis Botha was the first Prime Minister of the Union of South Africa a union he did much to create in the decade after the devastation of the Anglo Boer War During the war Botha was a brilliant young Boer general who through his battlefield strategy won significant victories over the British in the early stages of the war When the weight of British arms overwhelmed the Boers Botha along with Smuts did much to encourage peace between English and Afrikaner and led the country to Union in 1910 and dominion status Botha was a big hearted and generous man who showed magnanimity in his dealings with all including former enemies He led the South African troops to victory and the capture of German South West Africa prior to this he had to put down a revolt of pro German Afrikaners At the Peace of Versailles representing South Africa he pleaded unsuccessfully for magnanimity towards the Germans Botha was a globally respected figure he and Smuts effectively operated as a double act in South Africa and on the international stage before Botha s untimely death in August 1919 at only 57 In *A Man Apart* this tragically short life is illuminated in full [The General directory of South Africa 1890, 91-98/99, 1903-12](#) Edwards Dennis and co, ltd,1906 **A list of the general and field-officers, as they rank in the army [&c.
