Bogwoppit Ursula Moray Williams,1986 **The Women Who Invented Twentieth-Century Children's Literature** Elizabeth West,2022-10-24 Publishing for children between 1930 and 1960 has been denigrated as a relatively fallow period for creativity and quality certainly in comparison with the golden ages of children s literature that preceded and succeeded it This book questions this perception by using archival evidence to argue that the work of what was predominantly a female group of editors illustrators authors and librarians collectively referred to as bookwomen resulted in many titles which are still considered as classics today The bookwomen reframed ideas about how children s publishing should be approached and valued and in doing so laid the foundations for a subsequent generation of children s authors and publishers who were to achieve far greater prominence The key to the success of the bookwomen was their willingness to experiment the strength of their relationships and their comprehensive understanding of the book production process By focusing on a selection of women working across all aspects of the book production process this book demonstrates that both individually and collectively women capitalised on their position as other to the existing male institutions *The Best in Children's Books* Zena Sutherland,1980-05 Includes indexes **Emil Gets Into Mischief** Astrid Lindren,1992-07-10 *The School Librarian* School Library Association,1980 *Fantasy for Children* Ruth Nadelman Lynn,1979 Geannoteerde lijst van kinderboeken die tussen 1900 en 1978 in Amerika en Engeland verschenen ingedeeld naar dertien fantasiegenres **The Publishers Weekly** ,1978 **Bookseller and the Stationery Trades' Journal** ,1980 **Children's Book Review Index** ,1985 **Bulletin of the Center for Children's Books** University of Chicago.
