David Schwantes, 2007-09 Cocoon demonstrates in easy to understand language that ethics is about trust and happiness Trust is the essential ingredient to mutually supportive and durable relationships focused on reducing life's imperfections Such relationships are the key to happiness But we cannot live deep inside protective cocoons and still build trust and relationships Instead we must develop all the dimensions of what makes us human intellectual truth spiritual unity moral goodness and aesthetic beauty Above all we have to know ourselves and be able to pass the mirror test every day Our most important relationship after all being with ourself and we don't discover our spiritual unity without a Personal Strategic Plan Nor can we become ethically fit without enthusiasm equanimity and a commitment to excellence traits not found in cocoons Only ethical fitness can help us find the resolution to the fundamental ethical dilemmas we all face truth versus loyalty short term versus long term individual versus community and justice versus mercy This book suggests we use a variety of lenses to look at the world today power wealth prestige status We use the lenses of economics politics and technology We do not use nearly enough the lens of ethics relationships happiness decency and the golden mean Once we're ethically fit the result of continuous practice we're able to recognize ethical dilemmas approach them skillfully and resolve them successfully This book shows the way to such fitness which is useful in any context or relationship personal local or global Cocoon is a self-improvement book of the first order with real life macro illustrations of the ethical dilemmas we face in a complex and crowded world in which too many of us pursue the dictates of false gods It includes over 500 practice questions and was developed as a textbook in the ethics courses the author taught to seniors at Ramapo College from 2002 to the **Encyclopedia of Business Ethics and Society** Robert W. Kolb, 2008 This encyclopedia spans the relationships

among business ethics and society with an emphasis on business ethics and the role of business in society
