## **But Grace Is Enough:**

**Margin** Chris Zerzavy, 2025-02-07 What do you do when your life is turned completely upside down in a single moment How do you continue to live when one of the most important people in your world is stolen from you in such an unfair way How do you overcome a loss that is deeper than you feel you can handle What do you do when the heaviness is unbearable and relief from the pain is unattainable These were the questions that I faced on September 25 2022 My thirteen year old son Jonathan Thomas Zerzavy was returning home from a college football game when the vehicle that he was in was struck by a drunk driver traveling in excess of one hundred miles per hour At that speed there was nothing that could have been done to prevent the inevitable Jon was jolted loose from his seat belt and ejected from the vehicle His tiny frame could not withstand the trauma that was bestowed upon it and he was killed instantly Resilience is not easy when everything you thought you knew is shattered in a moment Everything that was a certainty is now overshadowed with doubt and the things that seemed important in life are no longer as significant as they once were The journey of healing is extremely difficult but there is hope when you are hopeless God can heal you and restore you He can take a situation that was meant to destroy you and use it to redefine your purpose for being Even when you can't see it there is joy to be found in your journey This book is intended to honor the life of my son Jon to share his story and to provide a perspective that has been gleaned from walking the most difficult path that I have ever traversed After reading this it is my hope that you are better equipped to navigate whatever challenge is before you and that the perspective gained allows you to both identify and operate in your intended purpose for the rest of your days

Enough is Enough John Westfall, 1993 With a flair for storytelling and an engagingly honest charm and wit the acclaimed author of *Coloring Outside the Lines* discusses the joyful gift of grace that releases us from achievement oriented living provides the unconditional acceptance we crave and offers believers the greatest adventure of our lives

**Lyric Logic** Johanna Winant, 2026-04-28 Between the Civil War and the Cold War American literary modernism and philosophy both grappled with the challenge of novelty and the chance to make it new Bringing together modern poetry's aesthetic experimentation and modern philosophy's attention to the problem of induction *Lyric Logic* argues that poems use logical form as literary form The modern poem can be characterized by its logic details that appear fragmentary add up to sense making Johanna Winant recasts the poetics of central figures as modeling and defending inductive reasoning Walt Whitman makes lists Emily Dickinson constructs analogies Gertrude Stein presents facts Marianne Moore investigates predictions Elizabeth Bishop draws inferences and Gwendolyn Brooks tests the limits of deduction Winant offers in depth close readings of canonical poems that show the sophistication of their philosophic logic Although philosophers tend to see induction as flawed and unreliable these poets display its strengths Their work demonstrates how to make sense of the unpredictable modern world
