But No Brab Funnel:

Discovering Our Six Simple Truths and Their Rich Promise of Happiness, Peace, and a Life of Consequence

Ralph E. Karanian, 2024-06-04 Whether you're a recently minted graduate seeking advantage in the long game of life or you're further along in your journey and questioning whether you're best applying yourself to desired outcomes my book likely contains your answer. In it, I detail a simple self-management discipline structured around six common truths. Adhere to a personalized adaptation of them and you'll ultimately enjoy their rich promise of happiness, peace, and a life of consequence far more easily and sooner than me. Indeed, mine is an uplifting story of personal triumph about how, after a frustrating period of confidence-robbing self-doubt, I regained my footing with this simple self-management hack, which, among other things, memorialized precisely what success looked like for me. And now, after benefiting for the better part of my adult life from the self-management process, I cobbled together. I'm ready to share its recipe. I'll open up in greater depth about what motivated my search for and eventual identification of our six simple truths, give my take on what I view as a more complete form of success, and identify and define each of the truths. Each truth is presented along with a small collection of my formative, defining, and reinforcing experiences recounted in forty-one short, historically accurate stories. It's through these stories that I show how my six simple truths crystallized for me so that you might also be moved and equipped to mine the lessons of your own formative experiences. From those lessons and with my coaching, you too will be able to easily craft and realign with your very own, custom-tailored truths. I'll show you how. Imagine a fulfilling and mostly regret-free life in which you confidently pursue all that is unequivocally identified and reaffirmed daily as priority for you: those people, activities, and things you just can't imagine being without. After all, if we are as Buddha suggests, what we think it's critical that we be thoughtful and strategic about that with which we fill our minds. As an everyman with a simple secret to share, I wrote my book such that mapping one's long game and gaining reassuring clarity for one's daily choices would be within easy reach for all. Remaining true then to the resultant affirmations of one's six simple truths with intention and application assures we can all enjoy their rich promise of happiness, peace, and a life of consequence.

A Vacation Gathering Stanley Kuren, 2014-08-29 Chucky and his zany friends have known each other forever, but they don't get together as much as they would like. Life got in the way. It happens. So to correct this grievous injustice, he inspires the gang to get together for a festive group vacation. The antics of this reunion will fuel legendary reminiscences for decades to come. It will be an epic adventure. But even this group could never have predicted just how weird that gathering would be. They come face-to-face with the spirits of our founding fathers, a rather unconventional genie in a bottle, a group of misplaced Egyptian goddesses, a matriarch who is known only as Big Mama, and a persnickety little imp who goes by the name of Harrold. Together, the friends will explore, explain, survive, the unexplained, and wonder at the never-could-happen-of-their-weird-vacation. So sit back and enjoy the ride to a place where the troubles are few, the laughter is plentiful, and the joy comes from living in harmony with others who are delightfully
