Butterfield Overland Mail:

The Butterfield Overland Mail, 1857-1869 Roscoe Platt Conkling, Margaret Badenoch Conkling, 1947 vols 1 2 Historical text vol 3 Illustrations maps portraits and plans

The Texas Frontier and the Butterfield Overland Mail, 1858-1861 Glen Sample Ely, 2016-03-04 This is the story of the antebellum frontier in Texas from the Red River to El Paso a raw and primitive country punctuated by chaos lawlessness and violence During this time the federal government and the State of Texas often worked at cross purposes their confused and contradictory policies leaving settlers on their own to deal with vigilantes lynchings raiding American Indians and Anglo American outlaws Before the Civil War the Texas frontier was a sectional transition zone where southern ideology clashed with western perspectives and where diverse cultures with differing worldviews collided This is also the tale of the Butterfield Overland Mail which carried passengers and mail west from St Louis to San Francisco through Texas While it operated the transcontinental mail line intersected and influenced much of the region s frontier history Through meticulous research including visits to all the sites he describes Glen Sample Ely uncovers the fascinating story of the Butterfield Overland Mail in Texas Until the U S Army and Butterfield built West Texas s infrastructure the region s primitive transportation network hampered its development As Ely shows the Overland Mail Company and the army jump started growth serving together as both the economic engine and the advance agent for European American settlement Used by soldiers emigrants freighters and stagecoaches the Overland Mail Road was the nineteenth century equivalent of the modern interstate highway system stimulating passenger traffic commercial freighting and business Although most of the action takes place within the Lone Star State this is in many respects an American tale The same concerns that challenged frontier residents confronted citizens across the country Written in an engaging style that transports readers to the rowdy frontier and the bustle of the overland road *The Texas Frontier and the Butterfield Overland Mail* offers a rare view of Texas s antebellum past *The Butterfield Overland Mail, 1857-1869, Etc. [With Plates and Maps.]*. Roscoe Platt CONKLING (and CONKLING (Margaret B.)), Margaret B. CONKLING, 1947

The Butterfield Overland Mail Waterman Lilly Ormsby, 1942 This is the classic firsthand account by Waterman L Ormsby a reporter who in 1858 crossed the western states as the sole through passenger of the Butterfield Overland Mail stage on its first trip from St Louis to San Francisco Ormsby s reports which promptly appeared in the New York Herald are lively and exciting He describes the journey in close detail giving full accounts of the conveyances the accommodations the other passengers the country through which they passed the dangers to which they were exposed and the constant necessity for speed

Butterfield's Byway Melody Groves, 2014-05-13 John Butterfield s mail service connected the East and West Coasts in one of the great entrepreneurial and pioneering stories of the American West Until 1858 California s gold fields were reached only by horseback wagon or ship around Cape Horn Congress decided a 2 800

mile twenty five day stagecoach line would roll from St Louis to San Francisco Former Utica New York mayor Butterfield hired one thousand men and bought 1 200 horses 600 mules and 250 wagons Surveying the wilderness he built roads and two hundred way stations graded river fords and dug one hundred wells Join author Melody Groves on a cross country trip from Missouri to California and all points in between as she recounts the Butterfield Stage Line s amazing odyssey **The Butterfield Overland Mail Route Through New Mexico and Arizona** Kirby Sanders,2013-04-03 During 2010 and 2011 writer and researcher Kirby Sanders was selected by the National Park Service to prepare a series of maps and reports outlining the routes and stations used by the iconic old west stagecoaches for the first overland transcontinental mail service from 1858 until 1861 The study was mandated by Act of the United States Congress under the Omnibus Public Lands Act of 2009 Based upon over a decade of research contained herein are those reports as supplied to the National Park Service Part of a series that includes the states of Missouri Arkansas Oklahoma Texas New Mexico Arizona and California this volume includes both the railroad and stagecoach routes from St Louis Missouri into Arkansas Original routes and modern driving equivalents are mapped and stage station locations are identified as nearly as possible by latitude and longitude The study and these reports were designed as a field guide to facilitate further in depth local research to establish the exact route and station locations of this historically significant but rapidly vanishing trail Postal History of John Butterfield's Overland Mail Co. on the Southern & Central Routes Including Butterfield's Pony Express 1858-1864 Bob O Crossman,2023-09 This new full color book reports on the mail carried by Butterfield s Overland Mail between September 1858 and March 1861 on the Southern Ox Bow Route and beginning in July of 1861 on the Central Route Also to include additional information and artifacts from US transcontinental mail carried immediately before and immediately after the existence of Butterfield s Overland Mail Co In most instances within his previous three books on Butterfield s Overland Mail Co he focused primarily on the Arkansas route This volume by contrast expands to focus on the entire route of the Butterfield Also by contrast this volume focuses on Butterfield s presence on the Southern Ox bow Route and later on the northern Central Route In addition this volume covers the entire time period of the Overland Mail Company s contract with the postal system 1858 1864 While the purpose of this research of the Overland Mail was to satisfy his personal curiosity he is hopeful that summary of Butterfield Postal History will also make a contribution to Butterfield s Overland Mail Co new status as a National Historic Trail **Butterfield Overland Mail Across Arizona, 1858-1861** Arizona Silhouettes,1858 **Butterfield's Overland Mail Co. Stagecoach Trail Across Arkansas 1858-1861** Bob O Crossman,2021-05-15 Butterfield s Overland Mail Co Stagecoach Trail Across Arkansas 1858 1861 by Bob Crossman tells the story of the Overland Mail Company stagecoaches which carried passengers and mail west from Memphis and St Louis to San Francisco through Arkansas The Overland stagecoaches and stage wagons traveled day and night completing the 3 293 mile journey in less than twenty five days This book pays special attention to each of the twenty Overland Mail Company stations spread across Arkansas The stations were

typically located about fifteen miles apart The stagecoaches or stage wagons would stop for ten minutes at each station for the quick change of horses Twice a day the stage would stop at a station for about forty minutes allowing the passengers to have a moment of rest and purchase a quick meal while the driver obtained a fresh team of horses or mules The Butterfield Overland Mail Waterman L. Ormsby,2018-12-05 This is the classic firsthand account by Waterman L Ormsby a reporter who in 1858 crossed the western states as the sole through passenger of the Butterfield Overland Mail stage on its first trip from St Louis to San Francisco Ormsby s reports which soon appeared in the New York Herald are lively and exciting He describes the journey in close detail giving full accounts of the accommodations the other passengers the country through which they passed the dangers to which they were exposed and the constant necessity for speed A most interesting account of the first westbound trip of an overland mail stage Southern California Historical Society Quarterly The best narrative of the trip and one of the best accounts of western travel by stage Pacific Historical Review If other travelers had been as careful and observant as Ormsby we should know vastly more about our country and the ways of our fathers than we do The book is fascinating It will prove interesting to all who care for travelogues the history of the West and particularly to those interested in our economic history Journal of Economic History *Butterfield's Overland Mail Co.
