Collector Books, Sharon Huxford

Button In Ear The History Of The Teddy Bear:

Button in Ear Jurgen Cieslik, Marianne Cieslik, 1989-01-01 **Kids' Stuff** Gary Cross, 1999-11-15 To sort out who's who and what's what in the enchanting vexing world of Barbies R and Ninja Turtles R Tinkertoys R and teddy bears is to begin to see what's become of childhood in America It is this changing world and what it unveils about our values that Gary Cross explores in Kids Stuff a revealing look into the meaning of American toys through this century Early in the 1900s toys reflected parents' ideas about children and their futures Erector sets introduced boys to a realm of business and technology while baby dolls anticipated motherhood and building blocks honed the fine motor skills of the youngest children Kids Stuff chronicles the transformation that occurred as the interests and intentions of parents children and the toy industry gradually diverged starting in the 1930s when toymakers marketing playthings inspired by popular favorites like Shirley Temple and Buck Rogers began to appeal directly to the young TV advertising blockbuster films like Star Wars R and Saturday morning cartoons exploited their youthful audience in new and audacious ways Meanwhile powerful social and economic forces were transforming the nature of play in American society Cross offers a richly textured account of a culture in which erector sets and baby dolls are no longer alone in preparing children for the future and in which the toys that now crowd the racks are as perplexing for parents as they are beguiling for little boys and girls Whether we want our children to be high achievers in a competitive world or playful and free from the worries of adult life the toy store confronts us with many choices What does the endless array of action figures and fashion dolls mean Are children or parents the dupes of the film television and toy industries with their latest fads and fantasies What does this say about our time and what does it bode for our future Tapping a vein of rich cultural history Kids Stuff exposes the serious business behind a century of playthings **Warman's Antiques and Collectibles Price Guide** Harry L. Rinker, 1996-04 An antiques price guide for more than 50 000 items with detailed descriptions **The Encyclopedia of the Industrial Revolution in World History** Kenneth E. Hendrickson III, 2014-11-25 As editor Kenneth E Hendrickson III notes in his introduction Since the end of the nineteenth century industrialization has become a global phenomenon After the relative completion of the advanced industrial economies of the West after 1945 patterns of rapid economic change invaded societies beyond western Europe North America the Commonwealth and Japan In The Encyclopedia of the Industrial Revolution in World History contributors survey the Industrial Revolution as a world historical phenomenon rather than through the traditional lens of a development largely restricted to Western society The Encyclopedia of the Industrial Revolution in World History is a three volume work of over 1 000 entries on the rise and spread of the Industrial Revolution across the world Entries comprise accessible but scholarly explorations of topics from the aerospace industry to zaibatsu Contributor articles not only address topics of technology and technical innovation but emphasize the individual human and social experience of industrialization Entries include generous selections of biographical figures and human communities with articles on entrepreneurs working men and women families

and organizations They also cover legal developments disasters and the environmental impact of the Industrial Revolution Each entry also includes cross references and a brief list of suggested readings to alert readers to more detailed information The Encyclopedia of the Industrial Revolution in World History includes over 300 illustrations as well as artfully selected extended quotations from key primary sources from Thomas Malthus Essay on the Principal of Population to Arthur Young's look at Birmingham England in 1791 This work is the perfect reference work for anyone conducting research in the areas of technology business economics and history on a world historical scale

The Official Price Guide to Antique and Modern Teddy Bears Kim Brewer, Carol-Lynn Rössel Waugh, 1990 Provides tips on buying and selling spotting fakes repairing cleaning and more Bibliog **The Official Price Guide to Antiques and Collectibles, 1993** David P. Lindquist, 1992 Praised by readers and trade journals alike The Official Price Guide to Antiques and Collectibles has become the definitive book on this popular pastime Fully updated the new edition features 75 percent new information easy to use Quality and Condition Keys 38 categories of listings and more 8 page color insert [The Lyle Price Guide to Collectibles and Memorabilia](#) Anthony Curtis, 1990 Each of the more than 3 000 items listed in nearly 200 categories is accompanied by a new black and white photograph that highlights distinguishing features of the piece in question as well as current market value

Dangerous Deception at Honeychurch Hall Hannah Dennison, 2018-11-01 Just the thing to chase the blues away M C Beaton All's fair in love and antiques wars Things are going well for Kat Stanford not only is her antiques business thriving she's also got a new date Piers Carew Viscount Chawley who owns the estate next to Honeychurch Hall Unfortunately Kate has a rival Impossibly beautiful Cassandra Bowden Forbes is also in town conducting valuations at the same fairs as Kat and she makes no secret of the fact she's got her eye on Piers And then things start to go wrong Kat finds herself at the scene of not one but two mysterious deaths and local tongues are wagging is it coincidence or murder As Kat's fortunes nosedive it becomes clear that unless she can solve these unexplained deaths then she may just be the victim of the next accident Praise for Hannah Dennison Will delight fans and new readers alike People's Friend The perfect classic English village mystery but with the addition of charm wit and a thoroughly modern touch Rhys Bowen Downton Abbey was yesterday Murder at Honeychurch Hall lifts the lid on today's grand country estate in all its tarnished scheming inbred deranged glory Catriona McPherson A fun read Carola Dunn Sparkles like a glass of Devon cider on a summer afternoon Elizabeth Duncan

Natural History, 1984 **Warman's Antiques and Their Prices** Edwin G. Warman, 1989 *Childhood and Children's Culture* Flemming Mouritsen, Jens Qvortrup, 2002 For over a decade sociologically oriented childhood research and research on child culture have experienced a dramatic growth within the humanities and the social sciences as well as an increasing prominence at the institutional level This book is the meeting place of two closely related fields of research children's culture and the history of childhood on the one hand and the sociology and anthropology of childhood on the other The two camps share a joint methodological view of children as agents in their own lives environments and even in society at large yet it is also agreed that their lives and welfare are largely formed by adults and the society in which they live Both research areas have been vital for the development of new strands of childhood research which are in many ways characterised by a departure from more conventional approaches concepts and understandings that have dominated childhood research and childhood itself in much of the 20th century The articles in the book represent numerous aspects of the two areas of research In a critical vein the sociologically and anthropologically oriented contributions cover studies of structural aspects of childhood as well as qualitative studies of children's everyday life while the culturally oriented contributions comprise classical studies of children's culture products history media play culture and symbolic forms of expression The articles present general differences and divergences in methods and perspectives but also show what the two types of approach have in common

HCL Cataloging Bulletin Hennepin County Library. Technical Services Division, 1990 **Warman's Antique and Collectibles Price Guide** Ellen Schroy, 1998 Considered the definitive general price guide to antiques and collectibles this book contains more than 500 collecting categories with tens of thousands of updated price listings and hundreds of photos of the most popular antiques and collectibles **Antiques and Collectibles 1994** David P.
