Buy My Field Jeremiah A Promise Fulfilled:

Buy My Field, Jeremiah Kit Anderson, 2001-07-09 When Hannah has to leave her pampered life at the court of Babylon to go to the wilderness of Judah she is frightened at the prospect Her father Jorah a judge under the Persian King Cyrus is a leader of the Jews who want to return to Jerusalem to rebuild their Temple In accord with a prophecy given by the prophet Isaiah the Persian King Cyrus releases the Jews and gives them funds for their journey To Jorah their mission is a holy quest directed by their God but Hannah s favorite brother Behai rebels and stays behind He doesn t believe in the dream of his father and wants to marry Hannah s best friend and make his own way among the power brokers of the Persian Empire Although Behai loves his family and tries to help them at first political pressure against the Jerusalem party forces him to abandon them to their own resources Only when a plot to rob Jerusalem of military defenses threatens the lives of his family does Behai find the courage to outwit the plotters and prevent a Samaritan attack Even after this however he rejects his father s pleas and turns his back on his family again Many years later a deadly threat against his brother Eliakim s life brings Behai back into the family fold The two work together to expose a vicious plot to attack the Jewish colony in Jerusalem and halt the restoration of the Temple In Jerusalem Hannah her family and the other returned exiles struggle against famine and the hostility of the nations already occupying Judah They make an early effort to lay the foundations of the Temple but their bright hopes to rebuild the walls are thwarted and delayed for many years Upon their arrival in Jerusalem the Zadokite priests returning from exile are surprised to find sacrifices and worship being performed at the ruined Temple site Levitical priests who stayed even after the final destruction of Jerusalem have been trying to preserve the rituals throughout the long seventy years of the exile They are met with suspicion and rejection by the haughty Zadokites who soon take these offices back into their own hands This lays the foundation for a conflict between the two priestly factions that persists for the next hundred years and further impedes the restoration of a strong Jewish nation One of these young Levitical priests Gera becomes Hannah s friend As they can her family supports his struggle to find a place in the restored nation in spite of persecution by the Zadokites Gera also makes friends with a young priest of noble blood named Jezaiah Jezaiah has returned with the exiles and knows Hannah s family At a chance meeting Jezaiah and Hannah fall in love and soon they marry Gera marries a local girl and the friendship begun between the two couples persists throughout the next several generations Hannah s father Jorah and her brother Eliakim work with the secular governments of Prince Sheshbazzar and then of Prince Zerubbabel They are not cut off from the central government in Babylon but they are opposed in the court by strong factions which support neighboring provinces They are also harassed by their neighbors and by desert raiders from the south and most of all by the regional governor who lives in Samaria Much of their lives are spent riding from one capital to another trying to build a diplomatic basis for the growth of the restored province of Judah Padon another of Hannah s brothers is a captain at the military garrison Padon like his father and older brother finds no conflict between his desire to restore Judah

as a Jewish nation and his loyalty to the Persian King They realize that Israel cannot survive without the support given them by the Persian King There are others in the community however who see treachery and faithlessness in the collaboration between the pr
