wit and verve Mike Veseth aka the Wine Economist tells the compelling story of the war between the market trends that are redrawing the world wine map and the terroirists who resist them Wine and the wine business are at a critical crossroad today transformed by three powerful forces Veseth begins with the first force globalization which is shifting the center of the wine world as global wine markets provide enthusiasts with a rich but overwhelming array of choices Two Buck Chuck the second force symbolizes the rise of branded products like the famous Charles Shaw wines sold in Trader Joe's stores Branded corporate wines simplify the worldwide wine market and give buyers the confidence they need to make choices but they also threaten to dumb down wine sacrificing terroir to achieve marketable McWine reliability Will globalization and Two Buck Chuck destroy the essence of wine Perhaps but not without a fight Veseth argues He counts on the revenge of the terroirists to save wine's soul But it won't be easy as wine expands to exotic new markets such as China and the very idea of terroir is attacked by both critics and global climate change Veseth has grape expectations that globalization Two Buck Chuck and the revenge of the terroirists will uncork a favorable future for wine in an engaging tour de force that will appeal to all lovers of wine whether it be boxed bagged or bottled

*The Emperor of Wine* Elin McCoy, 2014-03-25 The first book to chronicle the rise of Robert M Parker Jr the world's most influential and controversial wine critic who over the last twenty five years has dominated the international wine world and embodied the triumph of American taste This is the story of how an American lawyer raised on Coca Cola caused a revolution in the way wines around the globe are made sold and talked about To his legions of fans Parker is a cross between Julia Child and Ralph Nader part enthusiastic sensualist and part consumer crusader To his many enemies he is a self appointed wine judge bent on reducing the meaning of wine to a two digit number The man who now rules the world of wine has been the focus of both adulation and death threats He rose to his pinnacle of power by means of the traditional American virtues of hard work determination and integrity coupled with an unshakeable ego and a maniacal obsession with a beverage that aspires to a seductive art form fine wine Parker's influential bimonthly newsletter The Wine Advocate with more than 45 000 subscribers across the United States and in more than thirty seven countries exerts the single most significant influence on consumers wine buying habits and trends in America Europe and the Far East and impacts the way wine is being made in every wine producing country in the world from France to Australia Parker has been profiled in countless magazines and newspapers around the world and most of his dozen books have been best sellers in the United States and abroad Yet despite the world's attention and unending acclaim Robert Parker stands at the center of a heated controversy Is he a passionate lover of wine who more than anyone else is responsible for its vastly improved quality or is he as others claim waging a war against centuries of tradition and in the process killing the soul of wine The Emperor of Wine tackles the myriad questions that swirl about Parker and reveals how he became both worshipped and despised revered as an infallible palate by some and blamed by others for remaking the world's wine industry into a single global market causing prices to skyrocket and single handedly reshaping the taste of wine to his own preference Elin

McCoy met Robert Parker in 1981 when she was his first magazine editor and she has followed his extraordinary rise ever since In telling Parker s story McCoy gives readers an unmatched authoritative insider s view of the eccentric personalities bitter feuds controversies passions payoffs and secrets of the wine world explaining how wine reputations are made how and why wine critics agree and disagree and tracking the startling ways wines are judged promoted made and sold today This fascinating portrait of a modern day cultural colossus shows how a world that once was the province of gentlemen s clubs and the pastime of stuffed shirts turned into a sensual hobby for the middle class creating a luxury industry bent on making money on a worldwide scale and how one man has revolutionized the way the world thinks about wine **Wine & Spirits**
