## **By Faith Alone:**

*Faith Alone* R. C. Sproul, 1999-02-01 A leading theologian explains the biblical doctrine of justification by faith alone and urges fellow evangelicals to embrace this classic Protestant teaching **Faith Alone---The Doctrine of Justification**

Thomas R. Schreiner, 2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology Reinventing one of the five great declarations of the Reformation sola fide Schreiner Summarizes the history of the doctrine looking at the early church and the writings of several of the Reformers Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide with particular attention to the new perspective on Paul Five hundred years after the Reformation the doctrine of justification by faith alone still needs to be understood and proclaimed In *Faith Alone* you will learn how the rallying cry of sola fide is rooted in the Scriptures and how to understand this doctrine in a fresh way THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Salvation by Grace Through Faith Alone Don Wenzel, 2012-10-23 This book is written for today's church However it is not written to impugn anyone's belief Rather the purpose is to redirect the sole honor glory and credit for anyone's salvation toward the Triune God and away from any human initiative or action To take credit for any part of salvation regardless of the amount is to take away from the effectiveness of the workings of the Holy Spirit Christ's sacrifice and the Father's divine will

*Justification by Faith Alone* John Eedes, 2014-03-02 Being concerned with the state of theology in his day surrounding justification being sorely abused Eedes took great pains to write carefully and almost exhaustively about the biblical doctrine of justification by faith alone He takes to task Mr Erye Mr Woodbridge and Mr Baxter on their deviant writings concerning the doctrine and thoughtfully sets down the Bible's teaching in accordance with orthodox Christianity Eedes shows that justification by faith alone is not a physical act but a judicial act Justification is not by inherent righteousness but God as judge in the court of mercy by judicial declaration remits sin to the believer through Christ's merits and absolves the sinner repenting and believing He masterfully refutes Antinomianism Arminianism Roman Catholicism and the new divinity of Richard Baxter on this point of doctrine His aim is to press Christians not to be

confounded on this foundational point of theology but to embrace the truth and follow it in order to attain salvation found only through the merits of Jesus Christ There is no doubt that this is one of the best treatments of justification by faith alone in print from any age in church history Its usefulness today is without question knowing that so many professing Christians have no idea how to define or explain this crucial doctrine Here Mr Eedes will be of the utmost help This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions

*Justified by Faith Alone* R. C. Sproul, 2010-04-01 Luther said that the doctrine of justification by faith alone is the article upon which the church stands or falls R C Sproul follows Luther s lead in his concise and compelling work now repackaged and republished *Justified by Faith Alone* surveys the main tenets of the doctrine of justification in Roman Catholicism and evangelicalism Sproul is careful to accurately represent Catholic beliefs and observes that while both traditions agree that faith is necessary for justification the difference lies in whether faith alone is sufficient He explores problems with the Catholic doctrine and champions the sole sufficiency of Christ for our salvation Effective and engaging Sproul does not shy away from difficult theological terms and ideas but capably guides readers through this famous doctrinal dispute To those who decry the doctrines of imputation and justification by faith alone as legal fiction Sproul warns that nothing less than the central message of the gospel is at stake

*Faith Alone in One Hundred Verses* Robert N. Wilkin, 2020-09 The doctrine of salvation by faith apart from works sola fide is often defended using a handful of familiar verses such as John 3 16 Ephesians 2 8 9 and Galatians 2 16 But are there any more How prevalent in Scripture is the doctrine of faith alone Would you believe there are as many as 100 verses that declare believing to be the one and only condition of eternal salvation That is what Robert N Wilkin argues in *Faith Alone in 100 Verses* Writing in a devotional style Wilkin shows that the doctrine of salvation by faith apart from works is taught explicitly or implicitly in at least one hundred passages throughout the New Testament Whether you are uncertain about how to be saved or want to gain a better understanding of the Biblical evidence about the free gift of eternal life this book will help remove any confusion about the wonderful grace of God in salvation

**Faith Alone** Martin Luther, Zondervan, 2005 Freshly translated from the original German into today s English this book contains a treasury of devotionals taken from Luther s writings and sermons 1513 to 1546 conveniently divided into daily readings to point readers to the Bible and a deeper understanding of faith

*By Faith Alone* Gary L. W. Johnson, Guy Prentiss Waters, 2007 A thorough look at the false and empty doctrines that are attacking evangelicalism s commitment to one of its key doctrines sola fide by faith alone

**Justification by Faith Alone** Jonathan Edwards, 2014-04-08 This work is the substance of two of Edwards earliest printed lectures in 1738 Edwards was endeavoring to respond to encroaching Arminianism in his Northampton congregation as well as an abiding antinomianism in the colonies since the days of Anne Hutchinson This classic book demonstrates Edwards lucid reasoning and solid Reformed and Biblical approach to the crucial issue of salvation Edwards follows Scripture showing that Christ is the center of the Gospel and the doctrine of justification

the centerpiece of evangelism Edwards covers the intricacies of how believers are made righteous only through Christ's merits and that this justifying righteousness is equally imputed to all elect believers This is accomplished by the condition of faith as an instrument He demonstrates clearly the unscriptural nature of Arminianism and Antinomianism both being destructive to the true Gospel of Christ Edwards says Christians should strive after an increase of knowledge and no one should content themselves without some clear and distinct understanding in this point But we should believe in the general according to the clear and abundant revelations of God's word that it is none of our own excellency virtue or righteousness that is the ground of our being received from a state of condemnation into a state of acceptance in God's sight but only Jesus Christ and his righteousness and worthiness received by faith This I think to be of great importance This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions

The Faith That Saves Fred Chay, John P. Correia, 2012-08-21 There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non-saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance Justification by Faith Alone John MacArthur, John Gertsner, Don Kistler, 2003 This is one of our all-time bestselling books over 12,000 copies sold thus far As some stray from the long-held Reformation view and understanding of justification by faith alone we felt it necessary to add a new chapter by Don Kistler His chapter shows that any addition to what Christ has done becomes total subtraction in this vital area **The Doctrine of Justification by Faith Alone, the Curse of Christendom; a Lecture ...** Thomas Robinson (of Middleton.), 1858 **Not by Faith Alone** Robert A. Sungenis, 1997 Catholic in response to Protestant attacks against the Catholic Church's teaching on faith and justification in more than 100 years As never before the Catholic Church has been called upon to be the defender of Scripture and preserver of truth in modern times Not by Faith Alone will set the biblical and historical record straight But more important as you learn the real truth about salvation and all that it embraces this book will offer you the means to come

to one of the deepest relationships with God that you have ever experienced Faith alone Is it justifiable Not biblically and Robert Sungenis shows why Imprimatur *No Other Gospel* Josh Moody,2011-01-05 As fallen human beings we are quick to deviate from the true gospel for as Pastor Josh Moody writes we tend toward human gospels Believers must constantly battle to maintain the purity and simplicity of the gospel Paul was acutely aware of this as he wrote his letter to the Galatians He was writing to an established church experienced believers who had started to slip in their gospel witness Moody finds in Galatians particular relevance and parallels to many churches today Stemming from a series of sermons delivered to his church he examines thirty one reasons Paul gives for this gospel Moody writes this book with a pastor s heart addressing important topics such as The Gospel Not Moralism and The Use of Gospel Freedom Paul s message is foundational to the Christian faith and thoughtful readers will benefit from Moody s exposition *A discussion on the doctrine of justification by faith alone, which took place between the Rev. D. Howarth, of Salford, and Mr. Figg, of Accrington, in the Wesleyan Association School Room, Heywood, on the 13th of March, 1844. Taken in short hand by Mr. Wardley. [The introduction signed: R. Storry.]* David Howarth,1844 **The Millennial Harbinger ...** ,1731 Justified by Faith Alone Robert Charles Sproul,2010-01-01 Luther said that the doctrine of justification by faith alone is the article upon which the church stands or falls R C Sproul follows Luther s lead in his concise and compelling work now repackaged and republished Justified by Faith Alone surveys the main tenets of the doctrine of justification in Roman Catholicism and evangelicalism Sproul is careful to accurately represent Catholic beliefs and observes that while both traditions agree that faith is necessary for justification the difference lies in whether faith alone is sufficient He explores problems with the Catholic doctrine and champions the sole sufficiency of Christ for our salvation Effective and engaging Sproul does not shy away from difficult theological terms and ideas but capably guides readers through this famous doctrinal dispute To those who decry the doctrines of imputation and justification by faith alone as legal fiction Sproul warns that nothing less than the central message of the gospel is at stake

**Salvation by Allegiance Alone** Matthew W. Bates,2017-03-14 *Jesus Creed 2017 Book of the Year One of the Best Books of 2017* Englewood Review of Books We are saved by faith when we trust that Jesus died for our sins This is the gospel or so we are taught But what is faith And does this accurately summarize the gospel Because faith is frequently misunderstood and the climax of the gospel misidentified the gospel s full power remains untapped While offering a fresh proposal for what faith means within a biblical theology of salvation Matthew Bates presses the church toward a new precision we are saved solely by allegiance to Jesus the king Instead of faith alone Christians must speak about salvation by allegiance alone The book includes discussion questions for students pastors and church groups and a foreword by Scot McKnight *The Gospel Plan of Salvation* T. Brents,2025-07-18 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Faith Alone* Erik A. Estrada,2026-04-14 Faith Alone investigates the

post apostolic debates over salvation and justification by faith Author Erik A Estrada demonstrates that contrary to the historical outlook of a good number of Catholic and Protestant historians and theologians there were indeed conflicts within the Great Church ca 100 700 CE over the question After baptism is faith alone enough to save the orthodox Christian Demonstrating that there were such internal conflicts about justification by faith alone matters because most church historians and historical theologians believe that such debates only began with the reformations of the sixteenth century Because of this misperception of early Christian history scholars have regarded the early orthodox church as having little if anything to say about the chief point of religious dispute during the early modern era namely Is the Christian saved or justified by faith alone The unintended consequence of this prevalent view is that it is commonly believed that the early church had little role in shaping the sixteenth century reformations especially on the topic of salvation One can thus study the Protestant Reformation with little background knowledge of ancient orthodox Christianity Faith Alone however argues that there were indeed vigorous debates about this matter within the walls of the orthodox church and that those debates continued past the early Christian era and into the early Middle Ages ca 600 1100 CE where their records were left for later generations to ponder
