## By Silence Betrayed:

*By Silence Betrayed* John Crewdson, 1989 In this definitive study Pulitzer Prize winning journalist John Crewdson examines one of society's most disturbing and pervasive problems sexual abuse of children Heidegger's Fascist Affinities Adam Knowles, 2019-03-05 Reexamining the case of one of the most famous intellectuals to embrace fascism this book argues that Martin Heidegger's politics and philosophy of language emerge from a deep affinity for the ethno nationalist and anti-Semitic politics of the Nazi movement Himself a product of a conservative milieu Heidegger did not have to significantly compromise his thinking to adapt it to National Socialism but only to intensify certain themes within it Tracing the continuity of these themes in his lectures on Greek philosophy his magnum opus *Being and Time* and the notorious Black Notebooks that have only begun to see the light of day Heidegger's *Fascist Affinities* argues that if Heidegger was able to align himself so thoroughly with Nazism it was partly because his philosophy was predicated upon fundamental forms of silencing and exclusion With the arrival of the Nazi revolution Heidegger displayed both in public and in private a complex protracted form of silence drawn from his philosophy of language Avoiding the easy satisfaction of banishing Heidegger from the philosophical realm so indebted to his work Adam Knowles asks whether what drove Heidegger to Nazism in the first place might continue to haunt the discipline In the context of today's burgeoning ethno nationalist regimes can contemporary philosophy ensure itself of its immunity

**Pedophiles and Priests** Philip Jenkins, 2001-08-30 If we can believe the six o'clock news there has been an epidemic of sexual abuse among the clergy and especially among the Roman Catholic clergy This study looks at the entire history of this mushrooming scandal from the first rumblings to the explosion of headlines Provided by publisher

**The Assault on Truth** Jeffrey Moussaieff Masson, 2025-10-14 In 1896 Sigmund Freud presented his revolutionary seduction theory arguing that childhood sexual abuse directly caused adult mental illness Just nine years later he completely reversed this stance insisting these traumatic memories were mere fantasies Why did Freud retract his original theory And why has the psychoanalytic community gone to such lengths to conceal this critical reversal In the landmark book *The Assault on Truth* Jeffrey Moussaieff Masson draws on unique access to formerly sealed and hidden papers to uncover the truth behind this pivotal moment in psychoanalytic history Masson dares to explore the reality that neither Freud nor his followers could bear to face This investigation reveals the enduring impact of Freud's decision on the theory and practice of psychoanalysis Bracing in its honesty and gripping in its revelations *The Assault on Truth* is the book that prompted Masson's dramatic break with the psychoanalytic establishment and launched his brilliant career as an independent thinker and writer

*Childhood in America* Paula S. Fass, Mary Ann Mason, 2000 Anthology of fiction and nonfiction works presenting society's views of children and childrearing practices in the United States from Colonial times to the present

*Memories of Sexual Betrayal* Richard B. Gartner, 1997 In this comprehensive volume the repressed memory controversy is explored by leading clinicians in a discussion free of the accusatory tone that has often dominated the

literature to date The perspectives presented include an overview of neurological research on the encoding of memory a feminist critique of the frenzy surrounding the current debate and an exploration of the social taboos that still hamper objective discussion of child abuse The issues raised on both sides of the false memory debate cut to the heart of psychotherapeutic practice The possibility of falsely implanted memories raises questions about the very nature of truth as it is discovered in the therapeutic setting questions that must be addressed by all clinicians **victory** Joseph Conrad,1921
