The Healing of the Man at the Pool of Bethesda - The Water's and Five Porches' Side of the Story (John 5:1-9) Twanie Roberts, 2025-11-23 The Healing of the Man at the Pool of Bethesda The Water's and Five Porches Side of the Story John 5 1 9 Have you ever wondered what the healing pool of Bethesda witnessed over decades of desperate hope and disappointed waiting Meet Aqua the water and Porticus one of the five porches who together narrate this profound story of a man who waited 38 years for healing until Jesus asked one transformative question Through their eyes experience the daily scene at Bethesda the blind lame and paralyzed lying in rows watching the water for the angel's troubling that supposedly brought healing to the first person who entered Feel the desperation of those who had no one to help them into the pool when the water moved always arriving too late watching others receive what they longed for Witness the moment when Jesus approached the man who had been invalid for 38 years and asked Wilt thou be made whole Then came the excuse I have no man to put me into the pool But Jesus cut through 38 years of waiting with one command Rise take up thy bed and walk Immediately with no water no angel no pool the man was healed completely This transformative story teaches children that Jesus healing doesn't depend on human systems or rituals that He sees those others overlook that excuses must give way to obedience and that His word alone can accomplish what years of waiting cannot Readers discover that Jesus meets us in our hopelessness and provides healing that transcends our limited understanding of how God works Perfect for Children ages 6 10 Sunday School lessons on faith and obedience family devotions discussions about waiting on God understanding Jesus authority and learning that God's ways often differ from our expectations *Jesus and His World* John J. Rousseau, Designed for teachers students and general readers this book offers reliable and up to date information about important sites persons customs and other facts of life that are important for understanding Jesus and his cultural setting The 108 entries are arranged alphabetically for easy reference Also includes tables charts glossary bibliography indexes and more **A**

Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature

of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
