This refers to authentic website traffic from potential customers through unpaid search engine results. You will get everything you need to boost your marketing efforts by adding SEO to your digital marketing strategy. In this book, you will learn why SEO is important for home service businesses and how a well-organized SEO campaign can be an absolute goldmine for your business.

Meet Your Community David Hurme, 2019-08-04 For businesses to survive, they must have continuous sales. To have constant sales, you must have a continuous flow of potential customers. To have a continual stream of customers, customers need to find you. However, most businesses are not spending the time to ensure that potential customers can locate their business. Alternatively, the potential customer may not know the company exists. Therefore, the small and medium-sized business will continue to lose potential traffic to larger organizations. These more prominent companies can employ external

consultants to help them be found on the search engines We wrote the book *Meet Your Community A Guide to Implementing Local SEO for your Business* with the small and medium sized business owner in mind As a consulting firm we recognize that the cost of outsourced help can be a limitation for some businesses Therefore the book was designed to take the business owner on a path so that they can do Local SEO themselves Local SEO can help their business be discovered in local search The path of the book begins by explaining what Local SEO is and what traditional SEO is We then introduce you to Google My Business and Bing Places and walk you through the process of establishing your business profile with them The book then addresses things that you can do for your website that will help increase your discoverability The book then moves away from your website and focuses on external sites that you can use to help drive traffic to your website We then talk about reviews and Questions and Answers that will play an essential role in driving your Local SEO presence We provide an excellent terms glossary for you to refer to and a summary resource list of websites mentioned throughout the book The book provides you with the roadmap we followed in doing Local SEO for our business We have created a separate pdf that you can download and print from our website the passcode is in the book We also created a citation information worksheet that you can download as well to help when you create your citation entries Last but not least we created a Closed Support Group to help you with any questions you have as you implement Local SEO for your business The passcode for the group can be found in the book You can also get a free Local SEO analysis of your business from our website that can identify areas for improvement Local SEO is a journey and *Meet Your Community* will hopefully be the compass for small and medium sized business owners

Why Local SEO Matters Sohel Farazy, 2025-07-30. Do you own a small business and want to attract more local clients? Do you want Search to find you in your area? Then you ought to check out this book. Hello, this is Sohel Farazy. I've worked in SEO and digital marketing for more than seven years. I'll show you how to improve your search engine ranking, increase the number of reviews, and attract actual customers to your restaurant, clinic, retail store, or vendor. You'll learn what is local SEO and why it matters, how GMB works, the right way to choose your business category, how to write useful titles and descriptions, the strength of local citations and NAP info, how to get 5-star reviews that stick, what to ask before hiring a local SEO expert. This is not a boring technical book. Anyone may accomplish it, even if you're not tech-savvy, because each small component is described in detail. Whether you're a plumber, a dentist, or a salon owner, this book will help you expand your business locally.

Additional Section Added: Before you hire a local SEO expert, make sure to ask these seven important questions. Using funds on untrue assurances is a waste. Perfect for local business owners, freelancers offering SEO, digital marketers, students, and beginners. Get started with local SEO right now. It only takes one search to find your next customer.

Local SEO Morten Elm, 2015-04-08. Do you want more local customers? Then you need to know about local SEO for small business owners. Are you a small business owner with not enough customers? Maybe you are invisible in Google when people are searching for a local business in your industry. Because if you are not on page 1 in Google, you do not exist in the eyes of the customers. In this book, you will learn everything you need to know about local search engine optimization for small business, so you can get to the top of the local Google searches. You will be guided through the process of search-optimizing your online presence as a local business, so you can do it yourself or at least know what to ask for if you are hiring someone to do it for you. Included in the local SEO book: What is local SEO and how do the local Google searches work? How do you create a Google Local page? How do you optimize your website for Google local searches? How do you use social media for better visibility? How do you create great content with a local focus? Local search engine optimization is not difficult, but you need to know what you are doing if you want to get to the top of the local Google rankings. So download the book today and get more local customers for your small business.
