

BLUESMAN

BOOK ONE

ROB VOLLMAR & PABLO G. CALLEJO

Bluesman One

Jon Michael Spencer

Bluesman One:

Blues and Evil Jon Michael Spencer, 1993 The term blues has traditionally conveyed an image of hard living hard drinking carousing singers and musicians grinding out melancholy tunes and evil lyrics Contesting that stereotypical notion this study argues that spiritual values are clearly reflected in the blues mythologized history folk theological language and philosophical speculation on the dual existence of good and evil By using a theomusicalogical approach Yahya Jongintaba formerly Jon Michael Spencer is able to push aside accepted attitudes and present a unique study of the blues and the culture that created it He reveals religious substance in this music s content and language that has been gradually obscured as the blues evolved from a simple rural music following Reconstruction to its present urban form The evidence strongly implies a fundamental religious concern for the same life issues expressed in orthodox religious music Spencer suggests that white blues scholars have tended to overlook the religious nature of the blues partly because they have not fully understood African American culture They have tended to give validity to the old southern folkloric belief that blues music was devil s music disregarding the ethos of the blues as it exists on the periphery of doctrinal Christianity where religious pondering as well as opposition to white oppression could be expressed behind a protective veil of music

The British Blues Network Andrew Kellett, 2017-09-19 An exciting new examination of how African American blues music was emulated and used by white British musicians in the late 1950s and early 1960s *Bikes, Blues, and Barbecues*, **The Rise of Gospel Blues** Michael W. Harris, 1994-06-23 Most observers believe that gospel music has been sung in African American churches since their organization in the late 1800s Yet nothing could be further from the truth as Michael W Harris s history of gospel blues reveals Tracing the rise of gospel blues as seen through the career of its founding figure Thomas Andrew Dorsey Harris tells the story of the most prominent person in the advent of gospel blues Also known as Georgia Tom Dorsey had considerable success in the 1920s as a pianist composer and arranger for prominent blues singers including Ma Rainey In the 1930s he became involved in Chicago s African American old line Protestant churches where his background in the blues greatly influenced his composing and singing Following much controversy during the 1930s and the eventual overwhelming response that Dorsey s new form of music received the gospel blues became a major force in African American churches and religion His more than 400 gospel songs and recent Grammy Award indicate that he is still today the most prolific composer publisher in the movement Delving into the life of the central figure of gospel blues Harris illuminates not only the evolution of this popular musical form but also the thought and social forces that forged the culture in which this music was shaped

The Bluesman Julio Finn, 1986 This book is a meticulously researched study of the roots spiritual social and anthropological of the Afro American musical form known as the blues Despite its being arguably the twentieth century s most influential popular art form the blues significance and a lot of its vocabulary remain obscure for the majority of its millions of listeners The author remedied the situation with a learned and wide ranging survey of the subject embracing

African animist religion the slave trade voodoo hoodoo the early country blues and its modern urban electric equivalent The major figures in the music and most importantly in the African American tradition generally such as Macandal Zora Neale Hurston Langston Hughes and Marie Laveau are all given their rightful place in the history of the blues development and the book culminates in a moving study of the music's greatest exponent Robert Johnson the very personification of the book's title

After August Patrick Maley, 2019-08-08 Critics have long suggested that August Wilson who called blues the best literature we have as black Americans appropriated blues music for his plays *After August* insists instead that Wilson's work is direct blues expression Patrick Maley argues that Wilson was not a dramatist importing blues music into his plays he was a bluesman expressing a blues ethos through drama Reading Wilson's *American Century Cycle* alongside the cultural history of blues music as well as Wilson's less discussed work his interviews the polemic speech *The Ground on Which I Stand* and his memoir play *How I Learned What I Learned* Maley shows how Wilson's plays deploy the blues technique of call and response attempting to initiate a dialogue with his audience about how to be black in America *After August* further contends that understanding Wilson as a bluesman demands a reinvestigation of his forebears and successors in American drama many of whom echo his deep investment in social identity crafting Wilson's dramaturgical pursuit of culturally sustainable black identity sheds light on Tennessee Williams's exploration of oppressive limits on masculine sexuality and Eugene O'Neill's treatment of psychologically corrosive whiteness Today the contemporary African American playwrights Katori Hall and Tarell Alvin McCraney repeat and revise Wilson's methods exploring the fraught and fertile terrain of racial gender and sexual identity *After August* makes a significant contribution to the scholarship on Wilson and his undeniable impact on American drama

Devil's Music, Holy Rollers and Hillbillies James A. Cosby, 2016-06-05 Rock music today is universal and its popular history is well known Yet few know how and why it really came about Taking a fresh look at events long overlooked or misunderstood this book tells how some of the most disenfranchised people in a free and prosperous nation strove to make themselves heard and changed the world Describing the genesis of rock and roll the author covers everything from its deep roots in the Mississippi Delta key early figures like deejay Daddy O Dewey Phillips and gospel star Sister Rosetta Tharpe and the influence of so called holy rollers of the Pentecostal church who became crucial performers Elvis Presley Jerry Lee Lewis and Little Richard

Blues and Evil Yahya Jongintaba, 2024-09-04 The term blues has traditionally conveyed an image of hard living hard drinking carousing singers and musicians grinding out melancholy tunes and evil lyrics Contesting that stereotypical notion this study argues that spiritual values are clearly reflected in the blues mythologized history folk theological language and philosophical speculation on the dual existence of good and evil By using a theomusical approach Yahya Jongintaba formerly Jon Michael Spencer is able to push aside accepted attitudes and present a unique study of the blues and the culture that created it He reveals religious substance in this music's content and language that has been gradually obscured as the blues evolved from a simple rural music following Reconstruction to its

present urban form The evidence strongly implies a fundamental religious concern for the same life issues expressed in orthodox religious music Spencer suggests that white blues scholars have tended to overlook the religious nature of the blues partly because they have not fully understood African American culture They have tended to give validity to the old southern folkloric belief that blues music was devil s music disregarding the ethos of the blues as it exists on the periphery of doctrinal Christianity where religious pondering as well as opposition to white oppression could be expressed behind a protective veil of music

Conjuring Moments in African American Literature K. Samuel,2012-12-27 This book engages the ways African American authors have shifted recycled and reinvented the conjure woman in fiction Kameelah Martin Samuel traces her presence and function in twentieth century literature through historical records oral histories blues music and collections of African American folklore

Detroit Blues ,1997 **Another Good Loving Blues** Arthur R. Flowers,1993 It s Beale Street in Memphis Tennessee in the age when jazz was spelled jass Lucas Bodeen is a blues playing pianist and Melvira Dupree is the conjureowman he loves Pitted against them is a society mired in the laws of Jim Crowe and the lynch mob The result is a novel rich in history redeemed by gospel and narrated in an intoxicating range of voices Viking February

Another Good Loving Blues Arthur Flowers,1994 Finally a story from a black man who goes beneath the surface and lets his characters scat across the page The journey is magical and funky I applaud him Terry Macmillan

Blues Bob Brunning,1986 Former Fleetwood Mac member Brunning charts how London shows by US Bluesmen like Muddy Waters and John Lee Hooker then forgotten at home influenced a generation of British musicians from The Stones and The Animals to The Bluesbreakers and The Yardbirds This led to huge Stateside 1970s success for blues influenced British rock giants like Fleetwood Mac and Led Zeppelin and a renaissance of the U S blues scene An engaging personal memoir Charles Shaar Murray

Blues David Harrison,1997 From the early rural blues of Son House and Lightnin Hopkins to the electrified urban sounds of Howlin Wolf Muddy Waters and Buddy Guy this photo essay evokes the atmosphere and cultural setting of the blues The 120 outstanding color and black and white photographs both formal and intimate of world famous blues musicians are by world famous photographers

Instruments of Desire Steve Waksman,1999 Learn how and why the electric guitar has made such a broad historical and cultural significance through the stories of key performers who have shaped the use and meaning of the instrument from Les Paul to Led Zeppelin 23 halftones

Home acting for amateurs, original comediettas, by N. Parker [and others]. Nella Parker,1892 *Living Blues* ,2003 The Big Book of Blues Robert Santelli,2001 Contains over 650 entries profiling every important blues artist including in each entry a discussion on the artist s style and musical contributions

Broadside ,1973 Writing and Grammar: Ruby level (11) ,2001 State adopted textbook 2001 2007 grade 11
