**Summary of Bob Newhart's *I Shouldn't Even Be Doing This!*** Everest Media,2022-05-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I loved watching comedians on television and I would ask myself why certain jokes got a laugh I learned that the audience would accept the premise if I convinced them to do so and then everything I said would be logical 2 King Kong is a routine that came to me full born It happened when I was living in New York doing the television show *The Entertainers* with Carol Burnett I was talking about jobs that I had before I became a stand up and I made a connection between these two seemingly opposite thoughts 3 I have a dark side when it comes to jokes I love to make people uncomfortable with my macabre sense of humor I'm constantly thinking of new jokes and I'll tell them if I think they're funny 4 Comedians are often very close to one another and can only discuss certain things with other comedians because they have never done stand up If you have never done stand up you don't know what it's like
