*Dig Deeper into the Gospels* Andrew Sach,2015-02-20 Dig Deeper into the Gospels by Andrew Sach brings you face to face with Jesus in the gospel of Mark Sometimes we think of the Gospels as the easy bits of the Bible Anyone who has been through Sunday school can tell you that Jesus walked on water fed the 5 000 and told a parable about a sower Is there really much more it than that The conviction of the Dig Deeper books is that God wants us to work hard at reading the Bible in order to discover its true meaning hence the use of tools to dig and dig again It s an interactive process Indeed the authors want to make finding Bible treasure a possibility for everyone And we do this with receptive hearts listening to what the Holy Spirit is saying What a splendid book A great resource for Bible study leaders and preachers Peter Adam This book is a gold mine not just because of the many rich ideas it contains but especially because it enables us to discover the treasures of the Gospels The resulting engagement with the gospel with Jesus himself is compelling and life changing Jonathan Lamb

*Dig Deeper into Mark* Andrew Sach,Tim Hiorns,2025-03-20 Anyone who has been through Sunday school can tell you that Jesus walked on water fed the 5 000 and told a parable about a sower Is there really much more to it than that Aren t the Gospels supposed to be the easy bits of the Bible Using Mark as a worked example Andrew and Tim follow the most important things that have ever happened in the history of the world They help us see a diagnosis of the human condition more perceptive than that offered by any physician politician philosopher or psychiatrist They point to a solution that touches in the same moment both the horrors of hell and the glory of heaven We come face to face with the Jesus of the Bible and see how to follow him in a way that utterly transforms our lives The Dig Deeper books are a cross between a sermon but showing a bit more of the preacher s work behind the scenes a commentary but often more humorous than that and an interactive workbook there are a few over to you moments Each book uses the same set of tools context structure repetition Bible timeline and so on that will train you in how to read the Bible better for yourself The Dig Deeper books invite you to read the Bible well with a range of tools Find out more here <https://digdeeper.tools>
