Exercising Our Spirit to Practice the Body Life Witness Lee, 2024-02-20 As Christians we have been saved and regenerated by God to be members of the Body of Christ and to come together to practice the Body life This is God's main and central will for us The Body life is a basic and foundational matter in the Scriptures and without it it is impossible for us to be victorious spiritual or holy to grow in life or to be built up with other believers as a living expression of Christ Central to our experience of the Body life is the exercise of our human spirit God created a spirit within us specifically so that we could contact Him Once we learn how to exercise our spirit to contact Him everything that God is and has will become our daily experience Through such a daily experience God will be able to fulfill His purpose
