War Department,1902      **Notes of Military Interest for 1901** United States. Adjutant-General's Office. Military Information Division,1902      *Mafia Bodyguard's Obsession* Evelyn Stormrider,2026-02-22 Do you dare to enter a world where loyalty danger and desire collide I thought I had everything under control I had a job I loved a life I was building and a future that seemed as predictable as the next case But I was wrong Vincent De Luca Handsome powerful and a dangerous man I never should ve crossed paths with He was more than just a bodyguard he was my obsession my downfall He didn t just protect me He watched me He studied me He knew me better than I knew myself And somehow I was drawn to him despite everything But when the lines between love and obsession blur everything I thought I knew about safety and trust crumbles Vincent s love is a dark twisted thing one that consumes one that refuses to let go He s not just fighting for me He s fighting to possess me And I m caught in the middle of a mafia war where every moment could be my last In a world where betrayal is inevitable who can I trust when I don t even trust myself And when the price of survival is giving up my heart will I be strong enough to walk away from the one man who holds it all Mafia Bodyguard s Obsession is an irresistible dark romance that will keep you on the edge of your seat If you crave a story full of passion power and dangerous obsession then step into Vincent s world and let him show you just how far he ll go to claim what s his Get ready This story will make your heart race Will you dare to read until the end Buy Now and unlock a world where nothing is what it seems and everything is at risk      **Age of Deception** Jon R. Lindsay,2025-10-15 At the heart of cybersecurity lies a paradox Cooperation makes conflict possible In Age of Deception Jon R Lindsay shows that widespread trust in cyberspace enables espionage and subversion While such acts of secret statecraft have long been part of global politics digital systems have dramatically expanded their scope and scale Yet success in secret statecraft hinges less on sophisticated technology than on political context To make sense of this Lindsay offers a general theory of intelligence performance the analogue to military performance in battle that explains why spies and hackers alike depend on clandestine organizations and vulnerable institutions Through cases spanning codebreaking at Bletchley Park during WWII to the weaponization of pagers by Israel in 2024 he traces both continuity and change in secret statecraft Along the way he explains why popular assumptions about cyber warfare are profoundly misleading Offense does not simply dominate defense for example because the same digital complexity that expands opportunities for deception also creates potential for self deception and counterdeception Provocative and persuasive Age of Deception offers crucial insights into the future of secret statecraft in cyberspace and beyond      *Bodyguard Manual* Leroy Thompson,2005 Although military operations against terrorist forces often garner the headlines those who protect government military and business leaders from assassination or

kidnapping are also in the front lines against terrorism Ready and prepared to place his body between his employer and a bullet the bodyguard must be able to blend into the milieu around his charge yet be ready to spring into action instantly to counter an attack Based on techniques of the U S Secret Service U S State Department Security the Special Air Service the Royal Corps of Military Police the Metropolitan Police the KGB and its successor the FSB France s GSPR and other protective units around the world The Bodyguard Manual details the steps a protective team takes to prevent attack as well as the tactics which are employed when it is necessary to counter an attack in progress From security aboard Concorde the Orient Express or the Queen Elizabeth 2 to protecting a military general officer in combat The Bodyguard Manual allows the reader to stand post with the professional bodyguard

*Protecting the Billionaire: BWWM Interracial Romance* Jewelle Moore,2021-04-22 He makes her feel things she s never felt before Bodyguard Dawn Jacobs doesn t do relationships They are messy things and her life is about order and staying detached She works only for female clients Period When she gets a request to provide protection for a male IT specialist on a two week assignment in Guyana it s too tempting to resist The country holds a special place in her heart And what trouble could a computer geek be A ton she soon discovers Her new client could have walked off the cover of a top men s magazine When their gazes collide awareness slithers up her spine For the first time Dawn wishes she could change her past wishes that there wasn t a stone cold lump where her heart should be And it s too late to turn down the assignment Marc Montgomery is not a typical billionaire playboy Not only is he as sexy as sin he s the British government s secret weapon against cyber criminals He s used to women throwing themselves at him So it s comical that the first woman he s wanted in a long time seems determined to keep him at arm s length He can tell that she wants him just as much but something or someone is standing in the way He will stop at nothing to remove that obstacle Will his determination overcome her reticence Read on to find out

**Occupational Hazards** ,1996 **The Troubadour Revival** Roger Boase,2024-11-01 First published in 1978 this book argues that the troubadour revival in late medieval Spain was a conservative reaction to social crisis by those who belonged or were affiliated to a powerful expanding and belligerent aristocracy The crisis was produced by a discrepancy between social theory and social reality which could never be resolved because the theory was based on the belief in a divinely pre ordained system of social stratification in which change was inconceivable The study falls into four parts The first part analyses the aristocratic theory of medieval society with special reference to Spain The second part places the troubadour revival in its historical perspective The third part brings together some relevant documents and the fourth part consists of various appendices The author applies the insights of history sociology and economics to problems of literature and demonstrates the importance of the period to late medieval culture both Spanish and European Although this analysis relies mainly on Spanish sources the origins of the ideals it examines are to be found in a wider European context as are the factors that undermine them Close cultural links between Spain and France are suggested by certain parallels between the Catalan Consistory of the Gay Science and the Court of Love of
