BOETHIUS: AN ESSAY. Hugh Fraser Stewart,1891 **Boethius** Hugh Fraser Stewart,2015-06-29 Excerpt from *Boethius An Essay* The part that remains intact is chaps i iii and iv Chaps ii and v had to be rewritten the one because I could no longer honestly say that I agreed with Dr Hodgkin s explanation of the Trial the other because I could no longer regard the Anecdoton Holderi as conclusive evidence of the authenticity of the Tracts Chap vii is entirely new and will I hope fill up a gap in the argument Chap vi has been altered beyond recognition The pages of it which deal with Beowulf may seem a little out of place in a chapter professedly confined to vernacular translation but to be honest I could not refrain from airing my views on the sources of the strange philosophical element in that poem My warmest thanks are due to those friends who have helped me in my work to Professor Hort for reading chap vii in manuscript to M Paul Meyer for performing a like office for chap vi and offering many suggestions and some invaluable criticism and above all to Professor Earle who has crowned a long course of kindness by allowing this little book to go out with his name inscribed upon it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
