But There Are Always:

Four Steps to Making a Perfect Relationship, but There's Always One Thing Missing Clarence Tutu, calibre (0.7.47)

[<http://calibre-ebook.com>], 2009-11 Why is it that in the mist of death people always change Why does it take life for people to change their ways Do people really care or are they just caring for a moment while the life is at stake If people really cared then they wouldn't wait till a life is on the line People don't realize what they have until it's gone but when it's gone it's too late Some people just don't learn until it's too late Why does it take someone who has never had anything to teach someone who has had everything to care about the things they have The person with nothing gives more than the person who has everything Why Before you can judge someone you have to know what they have been through but even then you should judge yourself first Live love and be happy I love you **There's Always Divorce**

N.E.L., 2025-01-29 There's Always Divorce brings you along as Alessia is trying to come to grips with the fact that she is staring at the reality of a necessary divorce while heavily pregnant with her estranged husband's baby It's an emotional journey of her dealing with the antics and toxicity of a lying cheating and deceitful spouse but at the same time realizing that her problems really started before she was even born She is forced to acknowledge her childhood's impact on who she is to begin to shed light on how she got where she is today But she isn't sure she has the strength to be what this baby deserves and save herself in the process too Entertaining at times and uncomfortably real at times There's Always Divorce drives home that life is messy and sometimes there's nothing else you can do besides keep going *The Ultimate Book Club: 180 Books You Should Read (Vol.2)* Robert Louis Stevenson, Henrik Ibsen, Charles Dickens, Leo Tolstoy, Ford Madox Ford, E.
