## **But God:**

*But God* Ken Hemphill, 2006 One in a series of five books featuring devotionals empowered by biblical statements of faith that assure readers of God's power and faithfulness Each book includes fifty two page readings **But God...** Casey Lute, 2011-05 Just two words But God Understand their use in Scripture and you'll never be the same Whether from the pen of Moses Paul or other biblical authors But God appears in various forms hundreds of times in the Bible To understand these two words as they are used in Scripture is to understand the gospel This book focuses on nine of the most important appearances of this key phrase drawing in numerous other passages of Scripture and in the process unfolding the magnificent drama of God's sovereign grace from his mercy on Noah to our security in a resurrected Savior James Montgomery Boice wrote May I put it quite simply If you understand those two words but God they will save your soul If you recall them daily and live by them they will transform your life completely Boice was right To the left of But God in Scripture appear some of the worst human atrocities characterized by disobedience and rebellion To the left of But God is hopelessness darkness and death But to its right following But God readers of Scripture will find hope light and life Following God's intervention the story of Scripture becomes one of grace righteousness and justice In fact this phrase is used to describe God's activity in nearly every great salvation story in the Bible It is the perfect phrase for highlighting God's grace against the dark backdrop of human sin But God marks God's relentless merciful interventions in human history It teaches us that God does not wait for us to bring ourselves to him but that he acts first to bring about our good It also teaches us of the potential consequences if God were not to act Scripture shows over and over that without God's intervening grace without the But God statements in the Bible the world would be completely lost in sin and under judgment May the reading of this book and of the biblical But God statements it contains cause you to understand these two words recall them regularly and allow them to transform your understanding of God's grace and thus transform your very life *But God* Phil Pringle, 2008 Pringle reminds Christians that no matter what circumstances they are facing they should not forget the God factor which can make all the difference in any circumstance **Esther** Jennifer Westbrook Spivey, 2008-03 A remnant of Jews living in a heathen country A young orphan being raised by her God fearing cousin A self absorbed king in search of a new queen a Jewish woman rising to the throne of Persia A book of the Bible which makes no mention of the name of God *The Holy Bible*, 1810
