Investing for Beginners Stephen Satoshi,2018-10-28 If want to profit from what Forbes Magazine is calling the best ground floor opportunity we ve seen since the early days of the internet then keep listening The legal marijuana market is now growing at the same speed as the broadband internet market in the early 2000s Certain stocks have risen more than 5000% in the past 5 years Which means a small 100 investment would now be worth 5000 or more And some stocks soared even higher Maple Lead Green World which rose 7500% Endexx which rose 32 000% that s more than any cryptocurrency But wait Aren t the best days behind us After all isn t marijuana legal in 30 states now While that s true It s still not legal at a federal level Which means hedge funds investment banks and other big players could not get their piece of the pie But that s all about to change And when JP Morgan Citibank get involved we will see to biggest influx of money into the marijuana industry ever Which means if you own certain marijuana stocks before federal legislation then you could be set for some of the biggest gains every seen in your lifetime Because on November 6th 6 states are fighting for legalization which is the highest number we ve seen at the same time in US history If even half of these pass that signals tens of billions flowing into the marijuana industry In fact Business Insider estimates the legal marijuana industry could be bigger than the soda industry Think for a second imagine if you d invested in Coca Cola back when it first went public Or imagine cryptocurrency except this time the companies actually create an in demand tangible product In this book you will discover The company which makes the one thing every single legal pot sale must include making it a prime takeover target The single best marijuana

REIT available for regular investors another stock similar to this saw gains of over 9000% in just 7 months Jeff Sessions was previously called the marijuana industry's biggest enemy why he is no longer an obstacle President Trump's true stance on pot which the mainstream media won't tell you about The Home Depot of the marijuana industry and a prime takeover target for giant retailers potential 10X returns from this one stock An advanced Canadian grower currently trading under 1.3 stocks you would have no idea would benefit from a growing marijuana industry This penny stock just partnered with a leading European grower which could result in the biggest growth of all The company which could become the McDonald's of the Marijuana Industry and much much more Plus a free bonus book detailing the potential gains to be made in the legalized sports betting sector Here's the deal The legal marijuana industry is set to grow by 5X in the next decade Which puts it at around 300 billion the same size as the beer industry You won't see those kinds of gains in tech stocks or pharmaceutical companies So for investors who get in early these will be life changing gains For those who sat on the side line it'll be just another if only I'd invested then moment So if you don't want to miss out on the biggest investment opportunity of the past 10 years then scroll up and click add to cart
