By Any Means Necessary:

By Any Means Necessary John Tsukayama,2020-01-20 If you thought the only way for you to return home safe was to embody the vilest evil would you do it We ve always viewed veterans as patriots who defended our nation and destroyed worldwide threats As such we would never imagine them as perpetrators of institutionalized evil In times of war they re called upon to be their bravest selves When times get desperate they are forced to be their darkest Few people know of the numerous abusive acts our soldiers have been compelled to take part in and how it ruined their humanity **By Any Means Necessary** dives deep into stories of how fourteen veterans went from justice seeking liberators to unplanned abusers Drastic hazing punishments desensitized soldiers to the extent that they soon had no problem inflicting such abuse With implied authorization from superiors some of them moved from replicating the hazing they experienced to committing torture and murder
