

A photograph of a medieval jousting arena. In the foreground, two knights in full plate armor are on horseback, facing each other. The knight on the left is on a dark horse, and the knight on the right is on a lighter-colored horse. They are holding long lances. In the background, a crowd of spectators is visible on a balcony or upper level of the arena. The scene is set in a large, open-air or semi-enclosed space with stone walls and columns.
