Curses And Blessings:

Blessing or Curse Derek Prince, 2006-09-01 Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary. This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of *Blessing or Curse* includes an extensive new study guide for small group or individual use.

Bless, and Curse Not Gary W. Grout, 2020-10-23 It feels like I take one step forward two steps back. Yet some people seem to move from one golden opportunity to the next. Could these remarks be observations of the effects of modern day curses and blessings? The Bible has much to say on the subject. *Bless and Curse Not* will open your understanding to the Biblical principles of blessings and curses. In it you will learn of the destructive power of generational curses, hereditary curses, word curses, and self curses. You will also learn how to change for the better the circumstances of those you love by the power of blessings. Subjects covered include: Curses need to be removed. The cause of a curse must be removed. Our responsibility in removing curses. The power and authority of the believer to bless. What blessings can we make? Whom should we bless? Identify curses operating in your life. Identify your own special familial blessings. Containing over three hundred pages of Scriptural curses and blessings arranged in tabular form by symptoms, this book allows you to pinpoint the curses hindering you and your family and the blessings to replace them. *Bless and Curse Not* by Gary W. Grout is comprehensive in its coverage of the subject, clear in its presentation, and practical in its application to our lives.

Blessings And Curses Zacharias Tanee Fomum, 2020-06-12 Some people are operating under a curse while others are operating under a blessing. Blessing is a supernatural force working to promote you and to advance you. When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents, your gifts, and your abilities. On the other hand, a curse is an invisible force that frustrates you. An invisible force which is there to make you to be left out. A curse is as if you have an invisible enemy standing on your way. It's as if there is an invisible barrier standing in your way. There are some people who everything they touch goes wrong. Other people may be succeeding but when they get there it goes wrong. Such people are said to be functioning under a curse. The author further explains that blessings and curses belong to the invisible. Blessings and curses are vehicles of supernatural spiritual power. Blessings produce good and beneficial results while curses produce bad and harmful results. We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken. On the other hand, knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing.

Gerbrandt,2015-10-01 Deuteronomy is a book full of life stories of God's people and a vision for walking in the way of God. Considered by some to be the theological center of the Old Testament, Deuteronomy has been called the gospel according to Moses with its attention to divine grace and practices of justice. Deuteronomy has also disturbed thoughtful readers throughout history, having been used to justify violence and all manner of war. In this insightful commentary, Old Testament scholar Gerald Gerbrandt invites readers to struggle with the difficult passages and to humbly converse with the book's consistently hopeful themes of covenant, land, and leadership. Against the backdrop of apathy and amnesia and countless competing modern-day gods, Deuteronomy calls for the exclusive worship of the one God with a reminder of what that God has done for us. It presents a vision for a community of brothers and sisters who treat each other with justice and generosity. By examining the book that Jesus quoted when asked about the heart of Israel's faith, Gerbrandt unfolds for readers the richness of a book that is endlessly challenging and remarkably relevant for today. Deuteronomy is the twenty-ninth volume in The Believers Church Bible Commentary Series. Accessible to lay readers, useful in preaching and pastoral care, helpful for Bible study groups and Sunday school teachers, and academically sound, the commentary foregrounds an Anabaptist reading of Scripture. Relying on a unique format that includes sections on The Text in Biblical Context and The Text in the Life of the Church, the commentary series is a cooperative project of Brethren in Christ Church, Brethren Church, Church of the Brethren, Mennonite Brethren Church, Mennonite Church Canada, and Mennonite Church USA. Published for all who seek more fully to understand the original message of Scripture and its meaning for today, the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God's will.
