Curtain Inspiration:

Inspired Knowledge in Islamic Thought Alexander Treiger,2011-08-22 It has been customary to see the Muslim theologian Abu Hamid al Ghazali d 1111 as a vehement critic of philosophy who rejected it in favour of Islamic mysticism Sufism a view which has come under increased scrutiny in recent years This book argues that al Ghazali was instead one of the greatest popularisers of philosophy in medieval Islam The author supplies new evidence showing that al Ghazali was indebted to philosophy in his theory of mystical cognition and his eschatology and that moreover in these two areas he accepted even those philosophical teachings which he ostensibly criticized Through careful translation into English and detailed discussion of more than 80 key passages with many more surveyed throughout the book the author shows how al Ghazali s understanding of mystical cognition is patterned after the philosophy of Avicenna d 1037 Arguing that despite overt criticism al Ghazali never rejected Avicennian philosophy and that his mysticism itself is grounded in Avicenna s teachings the book offers a clear and systematic presentation of al Ghazali s philosophical mysticism Challenging popular assumptions about one of the greatest Muslim theologians of all time this is an important reference for scholars and laymen interested in Islamic theology and in the relations between philosophy and mysticism [Decorative Furnisher](#) ,1929 [Elegant and Easy Rooms](#) Dylan Landis,1999-10-20 Dylan Landis has an inside track with the decorating pros [Elegant and Easy Rooms](#) will tell you their opinions on everything from how to arrange furniture in comfortable and imaginative ways to how to choose a color to create a certain mood or period in the 1940 s a particular shade of yellow was the most popular The chapters include Paint and Color Walls Windows Problem Rooms Great Solutions Home Furnishings The Art of Display and Telling Details There will also be an incredibly useful and valuable appendix listing all the best mail order resources for everyone s decorating needs It will be illustrated with charming elegant black and white drawings that will further entice you to upgrade your decor
