

# TRADITIONAL GENDER ROLES

## DEFINITION

Traditional gender roles refer to the societal expectations associated with being male or female. These roles often dictate opportunities and responsibilities deemed appropriate for each gender. Over time and across cultures, these roles can evolve and vary. In modern western culture, they're increasingly seen as archaic.

## EXAMPLES

- **Domestic Responsibilities:** Traditionally, women were expected to handle household chores and caregiving duties.
- **Breadwinning:** Men used to be universally seen as having a duty to be the primary earners and financial providers for their families.
