

FINANCIAL MANAGEMENT

- Today, undoubtedly the role of financial managers have not only become exciting but also challenging, because it entails effective and quick decision making process, tact, requisite skill, intelligence and foresight in order to match the fast moving and technologically complex corporate environment.

What is

FINANCIAL MANAGEMENT ?

- Financial management is an integral part of overall management of an organization.
- The finance manager plays a vital role in the company's success.
- It is rather a difficult task to handle by individual who is the heart of what is going on in the entire organization.
- If finance is in the heart of everything that goes on in the company, the person handling it must be involved in every activity that the firm may perform.
- The financial manager has to be in touch with the firms operations, marketing and the overall strategy of the company.
