The Cambridge Handbook of the Changing Nature of Work by Brian J. Hoffman, Mindy K. Shoss, Lauren A. Wegman, 2020-04-23. This handbook provides an overview of the research on the changing nature of work and workers by marshalling interdisciplinary research to summarize the empirical evidence and provide documentation of what has actually changed. Connections are explored between the changing nature of work and macro-level trends in technological change, income inequality, global labor markets, labor unions, organizational forms, and skill polarization, among others. This edited volume also reviews evidence for changes in workers, including generational change or lack thereof that has accumulated across domains. Based on documented changes in work and worker behavior, the handbook derives implications for a range of management functions such as selection, performance management, leadership, workplace ethics, and employee well-being. This evaluation of the extent of changes and their impact gives guidance on what best practices should be put in place to harness these developments to achieve success.

AI ChatBots For Dummies by Kelly Noble Mirabella, Eric Butow, 2026-02-03. A handbook for professionals implementing or upgrading chatbots. In AI Chatbots For Dummies, chatbot expert Kelly Mirabella and veteran tech educator Eric Butow deliver a from-scratch guide to deploying AI-powered chatbots that keep your business customers happy. The book offers step-by-step instructions to building your bot and putting it into use, even if you don't know how to code. You'll learn how to reduce your workload, improve your company's efficiency, increase customer satisfaction, and accomplish a ton of other useful business goals like creating automated marketing campaigns and new sales strategies. The authors walk you through exactly how you can use chatbots in a variety of use cases, from generating leads and sales to gathering audience and customer data and growing an audience. You'll also learn how to automate customer service and support, ensuring your customers remain loyal and satisfied. Measure the success of your chatbots and expand their capabilities over time. Connect your chatbots to other systems and tools, including email, CRMs, calendars, and more. AI Chatbots For Dummies is the perfect how-to guide for business owners, entrepreneurs, and other business leaders interested in using chatbots to upgrade their company's abilities, improve its efficiency, and grow its bottom line.
