Adventures in Discipleship Michael Pearson, 2020-12-07 Adventures in Discipleship is a 40-day adventure of stepping out of your comfort zone, reevaluating your motives, and learning to love people like Jesus does. It is designed to help mature your faith and encourage you to set an example that others can follow. The more you experience and understand God's love for you, the more you can grow in your love for Him and for the people all around you. The more you surrender to God, the more exciting and fulfilling life becomes. So get on God's team. This is where the adventure begins.

The Adventure of Discipleship Daniel A. Keating, 2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path provided for us by God. Such a sojourn will surely be marked by joy, suffering, uncertainty, and above all, adventure. Accordingly, *The Adventure of Discipleship* presents the Gospel through the lens of great adventure stories from J.R.R. Tolkien's *The Lord of the Rings* and C.S. Lewis's *Chronicles of Narnia* to popular adventure movies, comic book superheroes, and TV series. While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship, they provide us with genuine insight into life with Christ. Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us. Along the way of discipleship, we come to understand the cost of following Jesus, the importance of hope in light of setbacks, and the gift of true friendship in this great adventure.

Organic Disciples Study Guide Kevin G. Harney, Sherry Harney, 2021-12-28 Connect your journey of discipleship with a passion for the world to meet Jesus Christ. For many followers of Jesus, discipleship means doing certain things to deepen our connection with Jesus Christ. But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world. Based on the teachings and reflection of their book *Organic Disciples*, Kevin and Sherry will lead you and your group through the seven markers of spiritual maturity and how these biblical practices can connect us with God's work of reaching people with his love. Bible Engagement, Passionate Prayer, Wholehearted Worship, Humble Service, Joyful Generosity, Consistent Community, Organic Outreach. True spiritual maturity.

will always lead believers outward to engage the world with the good news and truth of Jesus You ll learn how to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity and how to design a personal pathway of growth to be more like Jesus in character and mission Used together with the Organic Disciples book and the free video study and online assessment available at OrganicOutreach com churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus A Lifelong Apprenticeship : Study Guide for Growing Disciples Cam Stuart,2005 *Adventures in the Unseen* Makarios Tillyrides,2004 The manner in which Orthodoxy was introduced into East Africa during the twentieth century and the way in which it has taken root and spread can only be explained in terms of a Divine miracle Orthodoxy has spread phenomenally throughout East Africa From Uganda it has spread into Kenya Tanzania and all Africa In recent years the Orthodox Churches of Finland Greece Cyprus and America have assisted their sister Church in East Africa This help in no way detracts from the fact that the planting of Orthodoxy in East Africa was achieved by African men and African enterprise without any external missionary support His Eminence Archbishop Makarios Metropolitan of Zimbabwe a native of Cyprus began his missionary activity in East Africa as the Prinicpal of the Patriarchal Seminary which was established in Kenya by His Beatitude Archbishop Makarios III of Cyprus In 1992 he was elected and consecrated Bishop of Riruta He continued as principal of the Patriarchal Seminary until September 1997 The following year the Holy Synod of the Patriarchate of Alexandria elected him as Metropolitan of Zimbabwe His collection of sermons and other discourses delivered on various occasions gives an insight into a work of transformation Seventy years ago authentic Orthodoxy did not exist in East Africa Today a network of hundreds of parishes extends across the length and breadth of this vast area of the continent It is an event of no small significance in modern Christian history These sermons serve to provide a witness to this remarkable phenomenon Handbook for Youth Discipleship ,1988 Adventures in Essay Reading University of Michigan. Department of Rhetoric and Journalism,1924 **The Publishers' Trade List Annual** ,1991 *Making Disciples* Sylvia Wilkey Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been

shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community *The Adventure of Discipleship* Daniel
