

Their Loyalty Betrayed.

Belfast From Loyalty To Rebellion

Maurice Goldring

Belfast From Loyalty To Rebellion:

Belfast Maurice Goldring, 1991 *Northern Ireland's Lost Opportunity* Tony Novosel, 2013-01-07 Rejecting the dominant narratives of the Troubles this is a unique in depth investigation into working class Loyalism in Northern Ireland as represented by the Ulster Volunteer Force UVF the Red Hand Commando RHC and their political allies In an unorthodox account that disputes the idea that loyalism was apolitical and sectarian Tony Novosel argues that loyalist groups seen as implacable enemies by Republicans and the left developed a political analysis of the Northern Ireland conflict in the 1970s which involved a compromise peace with all political parties and warring factions something that historians and writers have largely ignored Distinctive deeply informed and provocative Northern Ireland s Lost Opportunity is the first study to focus not on the violent actions of the UVF RHC but on their political vision and programme which Novosel argues undeniably contributed to the Conflict Transformation Process by upholding the potential for a viable peace based on compromise with all groups including the Irish Republican Army

Loyalism and the Formation of the British World Allan Blackstock, Frank O'Gorman, 2014 Explores loyalism as a social and political force in eighteenth and nineteenth century British colonies and former colonies Loyalism in Britain and Ireland which was once seen as a crude reaction against radicalism or nationalism stimulated by the elite and blindly followed by plebeians has recently been shown by historians to have been on the contrary a politically multi faceted socially enabling phenomenon which did much to shape identity in the British Isles This book takes further this revised picture by considering loyalism in the wider British World It considersthe overall nature of loyalism exploring its development in England Ireland and Scotland and goes on to examine its manifestation in a range of British colonies and former colonies including the United States Canada India Australia and New Zealand It shows that whilst eighteenth century Anglo centric loyalism had a core of common ideological assumptions associational structures and ritual behaviour loyalism manifested itself differently in different territories This divergence is explored through a discussion of the role of loyal associations and military institutions loyalism s cultural and ritual dimensions and its key role in the formation of political identities Chronologically the book covers a pivotal period comprehending the American and French Revolutions the 1798 Irish rebellion and Irish Union the Canadian rebellions of 1837 and Fenianism and Home Rule campaigns throughout the British World Allan Blackstock is Reader in History at the University of Ulster and author of *Loyalism in Ireland 1789 1829* Boydell 2007 Frank O Gorman was Professor of History at the University of Manchester Contributors Allan Blackstock Richard P Davis Oliver Godsmark William Gould Jacqueline Hill Andrew R Holmes Kyle Hughes Mark G McGowan Donald M MacRaild Keith Mason Patrick Maume Katrina Navickas Frank O Gorman Brad Patterson Scott W See

[Memoirs of the Different Rebellions in Ireland, from the Arrival of the English ... The second edition](#) Richard Musgrave, 1801

The Loyal Atlantic Jerry Bannister, Liam Riordan, 2012-02-15 Adding to a dynamic new wave of scholarship in Atlantic history The Loyal Atlantic offers fresh interpretations of the key role played by

Loyalism in shaping the early modern British Empire This cohesive collection investigates how Loyalism and the empire were mutually constituted and reconstituted from the eighteenth century onward Featuring contributions by authors from across Canada the United States and the United Kingdom The Loyal Atlantic brings Loyalism into a genuinely international focus Through cutting edge archival research The Loyal Atlantic contextualizes Loyalism within the larger history of the British Empire It also details how far from being a passive allegiance Loyalism changed in unexpected and fascinating ways especially in times of crisis Most importantly The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalism in the wider Atlantic world

Religion, Loyalty and Sediton William Gibson,2016-11-15 The Hanoverian Succession of 1714 has not attracted the scholarly attention that it deserves This is partly because the idea of the long eighteenth century stretching from 1688 to 1832 has tended to treat the period as one without breaks However 1714 was in some respects as significant a date as 1688 It was the last time in British history that there was a dynastic change and one in which religious issues were at the forefront in people s minds This collection of essays were among the papers delivered at conferences in 2014 to mark the tercentenary of the Hanoverian Succession of 1714 held at Oxford Brookes University and Bath Spa University They reflect some of the major issues that were evident in the period before during and after 1714 In particular they deal with how disloyalty was managed by the government and by individuals They also demonstrate how central religion was to the process of securing the Hanoverian Succession and to the identity of the new regime established by George I Disloyalty real or imagined was apparent in legal suits in sermons and preaching and in the material culture of the period And once the Jacobite rebellion of 1715 had been overcome the need to secure the loyalty of the Church and clergy was a key objective of the government

Memoirs of the Different Rebellions in Ireland Richard Musgrave,1801 **Returning to Ourselves** Eve Patten,1995 History of the Irish Rebellion in 1798 William Hamilton Maxwell,1881 *Cobbett's Parliamentary Debates* Great Britain. Parliament,1886 Sinn Fein Rebellion Handbook. Easter 1916 ,1917 *The Parliamentary Debates (official Report[s]) ...* Great Britain. Parliament,1886 *Hansard's Parliamentary Debates* Great Britain. Parliament,1886 **Irish Towns** William Nolan,Anngret Simms,1998 **Parliamentary Debates** ,1886 Loyalism in Ireland 1789-1829 Allan Blackstock,2007 Military political cultural and religious dimensions of Irish loyalism are examined to show it as more complex than hitherto imagined **Fortnight** ,2004 **The War of the Rebellion: v.1-8 [serial no. 114-121]** **Correspondence, orders, reports and returns, Union and Confederate, relating to prisoners of war and to state or political prisoners. 1894 [i.e. 1898]-1899. 8v** United States. War Department,1902 *Forgetful Remembrance* Guy Beiner,2018-11-10 *Forgetful Remembrance* examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist

and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798 By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing Throughout Forgetful Remembrance comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion

The Reality of His Fictions Maura Megahey, 2009

Decoding **Belfast From Loyalty To Rebellion**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
