**Believe You Can Achieve** ,2008 Believe You Can Achieve Marie Langley,2009 Invest in Your Best Todd Whitaker,Connie Hamilton,Joseph Jones,T.J. Vari,2023-12-08 Support celebrate and grow your best teachers so that they stay in your school and continue to have maximum impact Burnout and teacher turnover are on the rise yet we often spend more of our energy on the underperformers In this powerful book from bestselling authors Todd Whitaker Connie Hamilton Joseph Jones and T J Vari you ll learn why it s crucial to recognize your best teachers going beyond superficial gestures of appreciation and investing in them in deeper ways The authors show school leaders how to identify their best teachers and then reveal strategies for supporting them including recognizing the value cost of teachers time prioritizing appreciation controlling the narrative tailoring professional learning helping teachers grow through peer observations as well as beyond the school applying data informed feedback and nurturing self and collective efficacy Each chapter begins with a powerful story an overview of our blind spots strategies on what we should invest in and how to ensure that the whole school profits from your efforts There s also an Initial Deposits feature that provides a quick tangible way to get started with each idea With the helpful models tips and tricks in this book you won t just be inspired to make a change but will be well equipped to take action As your best teachers get better and better your students and the entire school culture will benefit **The Power of God Given Imagination** Ray McCollum,2015-10-06 God has already given you the power to create your own future you just need to learn how to use it The Power of God Given Imagination awakens the dreamer within you by unveiling this incredible gift and explaining its quiet necessity in your life No faith has ever sprouted and no prayer has ever been prayed without the use of imagination For too long the power of imagination has been associated with New Age mysticism or the secular realm of positive thinking Ray McCollum defies this trend by demonstrating that the power of the human mind and imagination belongs to the church and God expects us to use it Within the pages of this book you will discover exactly what the power of imagination is how it works and how you can use it to both transform your personal life and transform the culture around you by releasing the kingdom of God **Think, Believe, & Achieve It** Teresa Ware Moody,2020-06-15 There s no age limit to fulfilling your dreams Fear will try to stop you Think then believe you can do anything then you ll achieve it Take the challenge and become what God created you to be **Poem in My Pocket** Chris Tougas,2021-06-01 Rhyming fanciful allegory of the creative writing process When a child s carefully written poem slips out of a ripped pocket its words join randomly with other words to form funny riffs and puns all over a busy city street The child scrambles to capture the loose words and arrange them back into poem form only to lose them again as a storm swoops in Eventually the words plant themselves in the muddy ground growing into something that might be even better than the original poem a Poet Tree A poem is never really lost The words may just need a little room to play The Director ,1986 **The Prosperity Equation** James A. Ziegler,2006-06 Written by accomplished professional speaker and business consultant James A Ziegler CSP HSG

The Prosperity Equation shares the journey that took one man from desolation to success It s about how to achieve great personal wealth and security This down to Earth book is written in a personable conversational style as if Ziegler was right in the room speaking with you The author interweaves personal stories with the pillars of prosperity the conceptual strategy that made him successful and wealthy Not for the faint hearted Ziegler s style is often brash forthright and in your face the author who says success leads to excess actually lives the dream himself with expensive jewelry luxury cars fine restaurants travel and an extravagant home The man is high energy and perpetual motion his enthusiasm is contagious He will be the first to tell you that prosperity is about much more than money It is about quality of life and security His definition of prosperity is a total package that includes having abundance to share your good fortune with others as well as having the ability to care for your family and those you care about Wealth provides choices The bottom line in Ziegler s world is that very few wealthy people are employees Of you want to freedom and the ability to control your destiny you have got to start and grown your own business The Prosperity Equation New Millennium Edition is about how to achieve those goals and enjoy the lifestyle you have only dreamed about
