Believers Road:

Leaves of Healing ,1900 **The Road to Righteous Living** Mojisola Sanya,2020-10-09 Many people when they come to Christ newly are often lost and do not know where to exactly start their journey I believe that if they have available resources and literatures like this they will help them to navigate and jump start their journey Furthermore those who are already in the faith do sometimes feel lost at some point in their journey and this is why I believe this book will be a tremendous help to new and growing believers in the Lord to improve their understanding of the life expected of them by God The book is about righteous living It details the expectations of God from all believers who want to walk with Him It also contains information on how to maintain a life of righteousness and things to do in order to remain steadfast instead of growing weak or weary The book also gives a brief understanding of God s view of a righteous man and why God intended this life for all that will walk with Him This book also includes some practice questions to refresh reader s memories and ensure adequate comprehension of their reading **Echoes from the iron road, and other poems** William AITKEN (Railway Inspector.),1893 **China's Millions** ,1911 **The Believer's Roadmap for Life on the Road** Ian Foyn,2013-11 Now more than ever the mature Believers need to be Generation Minded It does not matter what your eschatological view is there is no time left for itching ears or kingdom building The Lord is doing a quick work with young Believers and there is no time to re invent the wheel in the sense that the New Believer is not left to their own devices in discovering foundational truths and doctrine at their leisure They need to be established on a foundation above the roof level that we mature Believers have attained Here are the stepping stones they need to build their foundation to launch out on their new adventure called Life on the Road Ian attempts to establish the basic foundations quickly and effectively so that the young Believer is encouraged to launch from there and attain heights of which the mature Believer could only dream We need not go to extreme expense and effort to get a good and sound foundation set for the young Believer this book would set them on the road to sound understanding of their commitment to Yeshuah Ha Mashiach Jesus the Messiah This book of Ian s has been a long time in preparation but I do believe in the divine timing of our God If ever there was a time for a book like this to be in abundant supply in every pastor s library it is NOW In my opinion every person saying a sinner s prayer should either be given one of these to read at home or should be taken and disciplined through it [Better Roads and Streets](#) ,1916
