Bellamy Saga:

The Bellamy Saga John Pearson, 2012-12-10 First published in 1976 this fictional biography is the intimate and detailed portrait of the celebrated Bellamy family of the TV show *Upstairs Downstairs*. No family in the past century excepting perhaps the Forsytes has been so dramatically exposed to public stare as the Bellamys of Eaton Place. Drawing from the diaries of Richard Bellamy, the personal letters of Lady Majorie, the Southwold Papers in the British Museum, as well as his own friendship with James Bellamy and his conversations with Mrs Elizabeth Bellamy Wallace shortly before her recent death in New York City, John Pearson has written a sensitive and finely detailed portrait of this patrician English family. The Bellamys could not have anticipated the extraordinary interest that their lives have generated in Europe and America through the award-winning television series *Upstairs Downstairs*. Here Mr Pearson chronicles the Bellamys' complex, stormy, and passionate lives during the years between 1884 and 1929 when they reigned at 165 Eaton Place. An exciting and intriguing narrative in its own right, *The Bellamy Saga* is also a tribute to the surviving relatives and friends who consented, although some of them did so reluctantly, to relinquish much of the privacy they cherish. John Pearson is also the author of *All the Money in the World*, previously titled *Painfully Rich*, now a major motion picture directed by Ridley Scott, film and starring Michelle Williams, Mark Wahlberg, and Christopher Plumber, nominated for the Oscar for Best Supporting Actor.

Mirror to America John Hope Franklin, 2007-04-15 The legendary man recounts his journey from a childhood in Oklahoma to an Presidential Medal of Honor-winning African American historian. An astonishing, beautiful, deeply intelligent record of an extraordinary life. Required reading lest we forget what is possible in a race-based society. Toni Morrison winner of the 1993 Nobel Prize in Literature. John Hope Franklin's story is the stuff of American legend. *The Washington Post Book World*. From his effort in 1954 to hand President Franklin D. Roosevelt a petition calling for action in response to the Cordie Cheek lynching to his 1997 appointment by President Bill Clinton to head the President's initiative on Race and continuing to the present, celebrated scholar and bestselling author John Hope Franklin has influenced the nation's racial conscience with determination and dignity. Whether aiding Thurgood Marshall's preparation for arguing against Robert Bork's nomination to the Supreme Court in 1987, Franklin has pushed the national conversation on race toward humanity and equality, a lifelong effort that earned him the Presidential Medal of Freedom, the nation's highest civilian honor, in 1995. Intimate at times, revelatory, *Mirror to America* chronicles Franklin's life and this nation's racial transformation in the twentieth century and is a powerful reminder of the extent to which the problem of America remains the problem of color. John Hope Franklin is a true role model. He embodies the native optimism, i.e., that one can go from slavery to freedom, from ignorance to intelligence, can experience cruelty yet manifest kindness. In *Mirror to America*, each citizen can see herself and himself reflected in the life of this great American. Maya Angelou. Franklin comes across on these pages as the rarest sort of patriotic American, one who believes this nation should actually live up to its lofty ideals of justice and equality for all. That Franklin has maintained his
