Russell H. Fitzgibbon

Beloved Companions By Alison Davis:

Friends Journal ,1998 *Beloved Companions* Alison Davis,1996-05-01 *Edge Seasons* Beth Powning,2010-07-01

From the bestselling critically acclaimed author of *The Hatbox Letters* and *Shadow Child* comes the story of a year of transformation In the middle years of her life Beth Powning stands on a threshold an edge season Late one August when Beth and her partner Peter observe the deserted sauna bath on their farm near Sussex New Brunswick she remembers the faith and energy that went into building it As they begin to repair the sauna the project becomes a metaphor for how dreams relationships and commitments need to be continuously renewed While their only child Jake prepares to leave for university Beth and Peter contemplate changes of their own As fall and winter gradually shut down the vibrant life of the gardens fields and forests near her home Beth witnesses the beauty and regenerative force of the natural world weaving acutely observed descriptions of the countryside with the story of her own intimate transformation *Edge Seasons* is an intensely absorbing journey that illuminates how change can shatter even as it strengthens *The Agatha Christie Companion* Russell H.

Fitzgibbon,1980 Russell H Fitzgibbon presents a short history of Dame Agatha s life criticism of her works and a summary of how critics and reviewers view her work Includes a bibliography of all the works of Christie published in either Great Britain or the United States classified according to the detectives involved an alphabetical list of Christie detective and mystery book and short story titles a short story finder for Christie collections and an index of all but the least important of the thousands of characters introduced by the author in the detective and mystery short stories and novels **Forms of Poetic Attention**

Lucy Alford,2020-01-28 A poem is often read as a set of formal technical and conventional devices that generate meaning or affect However Lucy Alford suggests that poetic language might be better understood as an instrument for tuning and refining the attention Identifying a crucial link between poetic form and the forming of attention Alford offers a new terminology for how poetic attention works and how attention becomes a subject and object of poetry *Forms of Poetic Attention* combines close readings of a wide variety of poems with research in the philosophy aesthetics and psychology of attention Drawing on the work of a wide variety of poets such as T S Eliot Wallace Stevens Frank O Hara Anne Carson Theresa Hak Kyung Cha Harryette Mullen Al Khans Rainer Maria Rilke Arthur Rimbaud and Claudia Rankine Alford defines and locates the particular forms of attention poems both require and produce She theorizes the process of attention making its objects its coordinates its variables while introducing a broad set of interpretive tools into the field of literary studies *Forms of Poetic Attention* makes the original claim that attention is poetry s primary medium and that the forms of attention demanded by a poem can train hone and refine our capacities for perception and judgment on and off the page **A**

Measure of Light Beth Powning,2015-03-10 With Beth Powning s trademark elegance and insight into the hearts and minds of unforgettable women *A Measure of Light* brings to life an extraordinary historical figure Mary Dyer is a seventeenth century Puritan who flees persecution in England only to find the colony of Massachusetts Bay as dangerous as the country

she left behind Though she is the wife of a successful merchant and mother to their children she becomes stigmatized following a birth gone terribly wrong and is reviled as a friend to the infamous heretic Anne Hutchinson Mary tries to accept New England's harsh realities but is outraged by the cold-hearted Puritan magistrates with their doctrinaire stranglehold on church and state their subjugation of women their wars against the natives in the surrounding territories and their vicious treatment of any who challenge their rule Mary becomes one of America's first Quakers As both outcast and privileged citizen caught between the callings of faith and the ambitions of her husband she comes to the realization that she must follow her convictions in order to bring an end to the brutal repression of the Quakers in Massachusetts for whom death by hanging is the ultimate punishment From Mary's relationship with Anne Hutchinson to her fiery exchanges with the colonial magistrates *A Measure of Light* is both a sensitive work of imagination and meticulously true to the historical record In this exceptional pairing of author and subject Mary Dyer receives in the hands of Beth Powning herself a New England born Quaker the full-blooded recognition too long denied a woman of her moral stature and significance in shaping American history
