Belvedere George Crenshaw,1987-09-01 **The Salisbury Directory** ,1977 *The Nest* Cynthia D'Aprix Sweeney,2016-03-22
Hilarious and big hearted The Nest is a stellar debut People A warm funny and acutely perceptive debut novel about four adult siblings and the fate of the shared inheritance that has shaped their choices and their lives Every family has its problems But even among the most troubled the Plumb family stands out as spectacularly dysfunctional Years of simmering tensions finally reach a breaking point on an unseasonably cold afternoon in New York City as Melody Beatrice and Jack Plumb gather to confront their charismatic and reckless older brother Leo freshly released from rehab Months earlier an inebriated Leo got behind the wheel of a car with a nineteen year old waitress as his passenger The ensuing accident has endangered the Plumbs joint trust fund The Nest which they are months away from finally receiving Meant by their deceased father to be a modest mid life supplement the Plumb siblings have watched The Nest s value soar along with the stock market and have been counting on the money to solve a number of self inflicted problems Melody a wife and mother in an upscale suburb has an unwieldy mortgage and looming college tuition for her twin teenage daughters Jack an antiques dealer has secretly borrowed against the beach cottage he shares with his husband Walker to keep his store open And Bea a once promising short story writer just can t seem to finish her overdue novel Can Leo rescue his siblings and by extension the people they love Or will everyone need to reimagine the futures they ve envisioned Brought together as never before Leo Melody Jack and Beatrice must grapple with old resentments present day truths and the significant emotional and financial toll of the accident as well as finally acknowledge the choices they have made in their own lives This is a story about the power of family the possibilities of friendship the ways we depend upon one another and the ways we let one another down In this tender entertaining and deftly written debut Cynthia D Aprix Sweeney brings a remarkable cast of characters to life to illuminate what money does to relationships what happens to our ambitions over the course of time and the fraught yet unbreakable ties we share with those we love *A Kid's Guide to New York City with Wimsey the Bloodhound* Elizabeth Silverman,2015-12-31
A fun and informative guide to one of the world s great cities for both young armchair travelers and visitors alike With photos and stories tour guide Wimsey the Bloodhound takes dog lovers on an unforgettable tour of his city
