Ben Franklin Factor How To Capture An Audience Of One:

The Ben Franklin Factor James C. Humes,1995-04 **Marketing Information** Hiram C. Barksdale,Jac L. Goldstucker,1995 Subject Guide to Books in Print ,1975 **Benjamin Franklin's Intellectual World** Paul E. Kerry,Matthew S. Holland,2012-12-27 This volume attempts to throw fresh light on two areas of Benjamin Franklin s intellectual world namely his self fashioning and his political thought It is an odd thing that for all of Franklin s voluminous writings a fantastically well documented correspondence over many years scientific treatises that made his name amongst the brightest minds of Europe newspaper articles satires and of course his signature on the Declaration of Independence and the U S Constitution and yet scholars debate how to get at his political thought indeed if he had any political philosophy at all It could be argued that he is perhaps the American Founder most closely associated with the Enlightenment Similarly for a man who left so much evidence about his life as a printer bookseller postmaster inventor diplomat politician scientist among other professions one who wrote an autobiography that has become a piece of American national literature and indeed a contribution to world culture the question of who Ben Franklin continues to engage scholars and those who read about his life His identity seems so stable that we associate it with certain virtues that apply to the way we live our lives time management for example The image of the stable figure of Franklin is applied to create a sense of trust in everything from financial institutions to plumbers His constant drive to improve and fashion himself reveal however a man whose identity was not static and fixed but was focused on growth on bettering his understanding of himself and the world he lived in and attempted to influence and improve Forthcoming Books Rose Arny,1992-10 **Congressional Record** United States. Congress,1975 *Get Rich Collection - 50 Classic Books on How to Attract Money and Success in your Life: Think and Grow Rich,The Game of Life and How to Play it, The Science of Getting Rich, Dollars Want Me...* Napoleon Hill,Dale Carnegie,Benjamin Franklin,Charles F.
