## **Ben Johnson A Literary Life:**

**Ben Jonson** W. David Kay,1995-03-15 This concise biography surveys Jonson's career and provides an introduction to his works in the context of Jacobean politics court patronage and his many literary rivalries Stressing his wit and inventiveness it explores the strategies by which he attempted to maintain his independence from the conditions of theatrical production and from his patrons and introduces new evidence that despite his vaunted classicism he repeatedly appropriated the matter or forms of other English writers in order to demonstrate his own artistic superiority *Benjamin Johnson Travel Diary, 1796-97* Ellen C. Hickman,2006

**Loneliness in Later Life** H. Gibson,2000-10-04 Loneliness in Later Life concerns the personal and social changes associated with ageing a topic which is becoming increasingly popular as the number of those in the Third Age themselves reaches unprecedented levels It analyses the nature of loneliness clearly distinguishing it from the experience of solitary living which in its turn is explored and valued Through an examination of material drawn from literature and modern research including the author's own experience the book arrives at the happy conclusion that older people are not in general lonelier than when younger *Twentieth-century Italian Literature in English Translation* Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence *The Fictional Lives of Shakespeare* Kevin Gilvary,2017-12-12 Modern biographies of William Shakespeare abound however close scrutiny of the surviving records clearly show that there is insufficient material for a cradle to grave account of his life that most of what is written about him cannot be verified from primary sources and that Shakespearean biography did not attain scholarly or academic respectability until long after Samuel Schoenbaum published *William Shakespeare A Documentary Life* in 1975 This study begins with a short survey of the history and practice of biography and then surveys the very limited biographical material for Shakespeare Although Shakespeare gradually attained the status as a national hero during the seventeenth and eighteenth centuries there were no serious attempts to reconstruct his life Any attempt at an account of his life or personality amounts however merely to biografiction Modern biographers differ sharply on Shakespeare's apparent relationships with Southampton and with Jonson which merely underlines the fact that the documentary record has to be greatly expanded through contextual description and speculation in order to appear like a Life of Shakespeare *The Bibliophile Library of Literature, Art and Rare Manuscripts* Forrest Morgan,Caroline Ticknor,1904 *The Templar's Magazine* ,1872 *The Manly Anniversary Studies in Language and Literature* John Matthews Manly,1923 *Herder's Attitude Toward English Literature* Albert Pray Martin,1917

**Italian Literature since 1900 in English Translation 1929-2016** Robin Healey,2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators

and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature *A Reader's Guide to Contemporary Literature* William Swan Sonnenschein,1896 Class List of Books in Literature, Biography, Travel and History in the Lending Library, 1910 Chiswick (England).
