## **Benevolent Spirits:**

*Benevolent Spirits* L. W. De Laurence, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

**Good Spirits, Bad Spirits** Sue Lim, 2002 Good Spirits Bad Spirits How to Distinguish Between Them is an explanation of the invisible world of occult spirits variously known in the New Age as channeled Spirits spirits from God God himself spirits of sorcery or magic and prophetic spirits Good Spirits gives the reader a broad overview of occult spirit Intentionality embodied in hidden goals and multi generational plans Given the benefit of an eternity in which to achieve their goals occult spirits have honed the tricks of their supernatural trade to a fine art the art of persuading humans This skill is evident in channeled books such as Conversations with God and Messages from the Masters Through channeling and other means of contact such as the harmless ouija board occult spirits can wage spiritual and sometimes physical destruction in the lives of ordinary individuals The purpose of the spirits are most easily achieved through their creation of the famous personality whom they shepherd from childhood By lending their human agents the use of apparent occult powers such as contacting of the dead and foreseeing the future the spirits are able to spread their influence over the many while concealing their own malicious motives

Shamanism Mariko Namba Walter, Eva Jane Neumann Fridman, 2004-12-15 A guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual's experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia

Spiritualist Philosophy. The Spirits' Book ... Collected ... by Allan Kardec [i.e. H. L. D. Rivail]. Translated from the Hundred and Twentieth Thousand by A. Blackwell. [With a Portrait.] Léon Hippolyte Denisart RIVAIL, 1875

**Interconnectivity, Subversion, and Healing in World Christianity** Afe Adogame, Aminta Arrington, 2023-07-13 The rise of Christianity around the world has been the impetus for much religious and social change The interconnectivity of religious centers has resulted in theological dialogue and innovation The subversion of long held

categories of culture gender race spirituality theology and politics has naturally occurred along with the transgressing of borders and boundaries Yet at the same time there has been occasion for healing through intercultural experiences of forgiveness peacemaking and reconciliation Stimulated by the work and mentorship of Joel Carpenter who has done much to expand the study of world Christianity less through focusing on his own research and writing and more through amplifying the voices of others the international contributors to this volume from all six continents promote a deeper understanding of World Christianity through the exploration of such related themes Whether discussing primal spirituality in northeast India white supremacy in South Africa evangelical women and civic engagement in Kenya or Calvinism in Mexico the contributors draw upon ethnographic case studies to more deeply understand interconnectivity subversion and healing in World Christianity Their essays provoke a reorientation of Christian thought within the study of World Christianity enriching the current discourse and promoting vistas for further interdisciplinary studies

**The Pauline Concept of Supernatural Powers** Kabiro wa Gatumu, 2009-02-20 The study of supernatural powers is fraught with vexing hermeneutical challenges which aggravate further in the African context While on the one hand Western anthropology tends to discount the idea of supernatural powers by attempting to explain them away on the other Western biblical scholarship has mainly worked from the premise of demythologizing them But none of these approaches make tangible sense to African scholars for whom supernatural powers constitute an integral component of their spiritual psyche This book based on an examination of over a thousand documentary sources both classic and modern attempts to address the issue of interpreting supernatural powers from an African worldview The author analyzes identifies and critiques major hermeneutical errors and offers a bridging hermeneutic using the method of reader response criticism

[The Devil Sat on My Bed](#) Erin E. Stiles, 2024-02-16 In the mountains of beautiful bucolic northern Utah many Latter day Saints Mormons are visited by spirits Local folklore is filled with stories of uncanny encounters of all kinds and Latter day Saint scripture and prophetic teachings emphasize the reality and the importance of the spirit world Spirit encounters are common in this community People report visits from the benevolent spirits of kin offering aid and also from evil spirits who tempt and harass Combining folklore research with ethnography the book examines many types of spirit encounters and shows that such experiences must be understood as particularly Latter day Saint phenomena Spirit encounters take place within a larger cultural and religious framework that emphasizes the important relationships between living and non living beings For Mormons in northern Utah spirit lore and experiences are interpreted and understood with reference to Latter day Saint cosmology and particularly Mormon conceptions of the nature of the person the spirit and the family and the nature of righteousness evil and spiritual power The book also explores how people in Utah differentiate between Mormon culture the institutional church and how they understand the true meaning of the religion which has relevance far beyond understanding of people s relationship to the spirit realm and spirit power and speaks to key issues of concern and polarization among Latter day Saints today

**Christian Theology and African Traditions** Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings [Encyclopedia of Spirits](#) Judika Illes, 2010-09-14 Enter the World of Spirits The Encyclopedia of Spirits is a comprehensive and entertaining A to Z of spirits from around this world and the next Within these pages meet love goddesses and disease demons guardians of children and guardians of cadavers Discover Celtic goddesses and goddesses of the Kabbalah female Buddhas African Powers Dragon Ladies White Ladies Black Madonnas the Green Man the Green Fairy lots and lots of ghosts djinn mermaids fairies and more From the beneficent to the mischievous working with these spirits can bring good fortune lasting love health fertility revenge and relief Discover The true identities of over one thousand spirits as well as their likes and dislikes How to communicate with specific spirits for your own benefit How to recognize these spirits when they manifest themselves The mythological and historical events associated with specific spirits The colors days numbers and astrological signs associated with specific spirits The Encyclopedia of Spirits also provides an overview of the role of spirit communication throughout history and a general guide to working with spirits No matter what your life s problems or desires this book can guide you to the right spirits who can help fulfill your dreams For the spiritual adept the amateur or the simply curious the Encyclopedia of Spirits will inform inspire and delight **The Three Religions of China** William Edward Soothill, 1929 *The Chukchee* Waldemar Bogoras, 1909 **Hmong Refugees in the New World** Christopher Thao Vang, 2016-05-16 Almost no one in the West had heard of the Hmong before National Geographic ran a cover story on the Southeast Asian ethnic group that had allied with the United States in the Vietnam War and few knew of them before their arrival in the U S and other Western nations in 1975 Originating in China centuries ago they have been known by various names Miao Meo Miaozi Meng or San Miao some of them derogatory The Hmong in the West are war displaced refugees from China and Laos though they have been misidentified as belonging to other ethnic groups This mislabeling has caused confusion about the Hmong and their history This book details the history of the Hmong and their journey from Eastern to Western countries providing a clear understanding of an immigrant culture little understood by the American public Instructors considering this book for use in a course may request an examination copy here **Life and Labor in the Spirit World** Mary Theresa Longley, 1885 **Life and Labor in the Spirit World** Mary Theresa Shelhamer, Mary Theresa Longley, 1884 *Ancient Ceylon* Henry
