Peter Rabbit's cousin Benjamin Bunny has been a very popular character since this book's first publication in 1904. In this tale we hear all about his and Peter's adventures in Mr McGregor's vegetable garden and what happens to them when they meet a cat. Even more frightening is what happens to the two pesky bunnies when Old Mr Benjamin Bunny finds out what they have been up to. Beatrix Potter is regarded as one of the world's best-loved children's authors of all time. From her first book *The Tale of Peter Rabbit* published by Frederick Warne in 1902, she went on to create a series of stories based around animal characters including Mrs Tigglywinkle, Benjamin Bunny, Jemima Puddle-duck, Mr Jeremy Fisher, and Tom Kitten. Her humorous, lively tales and beautiful illustrations have become a natural part of childhood. With revenue from the sales of her books, Beatrix Potter bought a farm, Hill Top, in the English Lake District where she later became a farmer and prize-winning sheep breeder. She launched the now vast merchandise programme by patenting the very first Peter Rabbit doll in 1903.

The Tale of Benjamin Bunny by Beatrix Potter Beatrix Potter, 2021-07-07 When Mr McGregor and his wife leave home in their gig, Benjamin Bunny and his cousin Peter Rabbit venture into Mr McGregor's garden to retrieve the clothes Peter lost there in *The Tale of Peter Rabbit*. They find the blue jacket and brown shoes on a scarecrow, but Peter is apprehensive about lingering in the garden because of his previous experience. Benjamin delays their departure by gathering onions which he wraps in Peter's handkerchief, hoping to give them to his aunt, Peter's mother. He then takes a casual stroll around the garden followed by an increasingly nervous Peter. Rounding a corner, they see a cat and hide under a basket, but the cat then sits on top of the basket for five hours, trapping the pair. Old Mr Bunny, Benjamin's father, Peter's maternal uncle, and Old Mrs Bunny, Benjamin's brother, enters the garden. He smokes a pipe and holds a little switch. He knocks the cat off of the basket and locks her in the greenhouse, then he rescues Benjamin and Peter. However, although he is happy that both Peter and Benjamin are safe and unharmed, he is very cross and punishes them for going to Mr McGregor's garden. Then he whips them with the switch. Once he gets home, Peter gives the onions to his mother, who forgives his adventure because he has managed to recover his lost jacket and shoes. Then he and Cottontail fold up the pocket handkerchief and their mother strings the onions and rabbit tobacco from the ceiling. Following his return to the garden, Mr McGregor is puzzled by the ridiculously small footprints, the scarecrow's missing clothes, and the cat locked in the greenhouse.

As soon as they had passed, little Benjamin Bunny slid down into the road and set off with a hop, skip, and a jump to call upon his relations who lived in the wood at the back of Mr McGregor's garden.
